# Welcome to the 2022 CCRCA National Specialty

**WELCOME to the 2022 CCRCA National Specialty!**

On behalf of the Specialty Committee, Welcome to Oshkosh, Wisconsin

It has been my pleasure to be your Show Chairman. So much work and behind the scenes planning has gone into making this a truly fantastic, fun and memorable event for everyone.

Special thanks to Maureen Thompson my Co-chair. Her advice, recommendations and talents are so appreciated. Thanks also to all other committee members for your time and talents. It truly does take an army to pull off an event like this. THANK YOU!

So please enjoy the show. Take the time to enjoy all this area has to offer. Best of luck to you and your curlies in whatever events you have chosen to participate in.

"Just as failure will not define our future, neither will we rely on successes to create our sense of self worth."

-Susan Garrett

Best Wishes, Aubrey LaCrosse & the rest of the National Specialty Committee

## **ACCOMODATIONS**

HOTEL GROUNDS ARE CONSIDERED PART OF THE SHOW GROUNDS. Anyone who abuses privileges of a hotel will be subject to an Event Committee hearing.

## **HOST HOTEL**

Best Western Premier Waterfront Hotel and Convention Center 1 N, Main Street, Oshkosh, WI 54901 920-230-1900 - Toll Free 1-855-230-1900 Room Rate: \$119.99+tax, \$100 per stay refundable deposit for pets in the room Rooms include a mini-refrigerator and free Wi-Fi. Group Name: Curly Coated Retriever Club of America

## **DIRECTIONS TO THE HOST HOTEL**

The hotel is located on the corner of North Main Street and Ceape Avenue in downtown Oshkosh. To park your vehicle, turn left (west) onto Ceape Avenue. Drive past the hotel to the parking ramp situated directly to the west of the hotel. Covered parking is on levels one and two, and surface parking is on level three.

The nearest large airports are Milwaukee, WI (MKE) and Madison, WI (MSN). Both are approximately 1 hour and 30 minutes from the host hotel. Appleton, WI (ATW) is 30 minutes and Green Bay, WI (GRB) is about 1 hour from the host hotel

## **GROOMING & CRATING**

There is space for indoor crating and grooming. Dogs may not be left overnight. Grooming and grooming tables are allowed in the south (smaller) building only. Crates are allowed in the north (larger) building with protective mats under them on the south or west walls. All grooming products including but not limited to chalk, powder, hair spray, etc. may be used in the south building only.

No sharp or heavy objects, including but not limited to chairs without rubber protected leg bottoms, shall be placed on the floor mats to ensure that the floor mats will not be punctured, torn, or otherwise damaged.

# AKC Code of Sportsmanship

---

## PREFACE:

The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented,

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

AT THE END OF THE DAY  
WE ALL TAKE HOME THE SAME DOG

# THE BEST DOG

THREE PRINCIPLES OF  
WINNING AND LOSING

GRACE

DIGNITY

RESPECT

AND THEN EVERYONE WINS!

# Dr. Marty Greer

**Wednesday May 18th at 4:00 pm  
At the Oshkosh Kennel Club**

I received my Bachelor of Science in 1978 and my DVM in 1981 from Iowa State University in Ames Iowa. In 1982 I established the Brownsville Small Animal Clinic in Dr.

Griffith's practice building and in 1988, moved the practice to Lomira.

I have a special interest in Pediatrics and Reproduction. In 2002, I opened a Canine Semen Freezing Center, International Canine Semen Bank – Wisconsin (ICSB-WI/IL), and became Penn-Hip Certified.

On my first attempt at using extended semen, I bred the practice's first litter of pups from frozen semen in 1998. The advent of in-house quantitative progesterone testing has made this process much more successful.

In 2005, I was appointed by Governor Jim Doyle to a position on the Veterinary Examining Board of the Department of Safety and Professional Services, where I served for 8 years.

In 2010, I graduated from Marquette Law School. I practice law part-time with my law partner, Attorney Sheila Kessler, at Animal Legal Resources LLC.

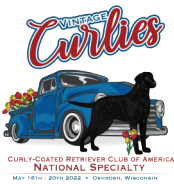

In 2014, I wrote Canine Reproduction and Neonatology a 470-page book about everything reproduction which was the Winner of Dog Writers Association of America's Dogwise Best Book Award.

In 2019 I became certified as a Fear Free professional. I recognized the benefit of including Fear Free practices to try to make your pet's visit to us as relaxed as possible. While there are many Fear Free practices we use, one of them is offering treats like peanut butter and chicken baby food to give your pet a distraction while we do exams and testing to reduce anxiety and stress. We know that a Fear Free experience is a benefit to you, your pet, and also our staff.

In 2020, I wrote Your Pandemic Puppy which explains how to raise a well-adjusted puppy during a pandemic.

I am on the Board of Directors for the Society for Veterinary Medical Ethics, American Veterinary Medical Law Association, and the Society for Theriogenology. I served on the Animal Welfare Committee and Education Committee for the Wisconsin Veterinary Medical Association. I am also president of the National Animal Interest Alliance.

# Meet our Field Judge

**Upland Working Certificate  
Upland Working Certificate  
Excellent**

## Dawn Schuster

Kaukauna, WI

Hi! My name is Dawn Schuster. I would like to start out by thanking you for inviting me to be your judge. I am honored.

My life with working dogs started out early. I was raised in a hunting home. I hunted small game with my father and his friends. Pheasant, squirrel or rabbit were all in a day's find. Dogs we hunted with ranged from Pointers, to Beagles, to Springers, to Labradors. And on some days a local farmer's Shepherd.

After marriage, I settled with a Samoyed and a couple of retired Greyhounds. When children came the dogs aged and passed, the girls wanted to get a dog who would play fetch. This started my 20 year love of the English Cocker Spaniel. Our first Cockers were show dogs. The girls and I went everywhere and did everything from AKC and UKC shows, obedience, rally, Junior Showmanship to 4-H shows and competitions. Doing what the breed was meant to was also important. We trained and ran the dogs in AKC Spaniel hunt tests and have never looked back. I have been competing in hunt tests for about 20 years and in the past 15 years, training and successfully competing in Cocker field trials. Since 2009, I have been blessed to be able to judge AKC Spaniel hunt tests. Even more blessed to be asked to judge national events for the English Cocker Spaniels, American Cockers, English Springer Spaniel, American Water Spaniels, Clumber Spaniels, Welsh Springer Spaniels and am honored to be asked to judge here with one of my very best of friends Kaye Wyn.

We look forward to seeing your beautiful dogs in the field.

## Kaye Wyn

Cambria, WI

I started training and running dogs in upland spaniel working dog test and hunt test with American Cocker Spaniels in 2002. I became a hunt test judge in 2014. I enjoy watching all varieties of dogs work doing things they were bred to do. I currently own and operate Lighthouse and Whirlwyn Kennels with my husband Jason. I became a professional dog trainer in 2019. I look forward to seeing your dogs in the field.

# Meet our Field Judge

**Super Singles**

**Sandy Dollar**

Neshkoro, WI

Hi,

I am Sandra Dollar “Sandy”. I have been involved with dogs all my life, after marrying my husband Curt we decided upon a kennel name, so was the beginning of Cur-San’s Kennel. Cur for my husband’s name Curtis and San for my name Sandra. I started out with Standard poodles, we hunted with them and I did the conformation showing. This also led me to becoming a dog groomer for over 20 years. In the early 60’s my husband decided he would like a Chesapeake. So, after a lot of looking, we purchased a nice female. That was the beginning of the Chesapeake’s for over 58 years. In all these years we hunted our dogs, did some obedience, conformation showing, field trails, and hunt test. Add to this some dog sledding and some weight pulling. In these later years I am primarily doing the hunt test and some field trials. I also continue to participate in conformation shows as the timing works. At the present time I have 4 Chesapeake’s, one retired 12.5-year-old Ch. Mater hunter, two running hunt test one already has his championship. The other one is in the field trial training venue, with high hopes!!! Add to all this having been a hunt test judge for many years.

I wish you all the best of luck at your Specialty, and please everyone enjoy the Journey!!!!

Sandy

# Meet our Field Judge

**Super Singles**

**Beth Trudel**

Neshkoro, WI

Hi,

Thank you for asking me to judge your event.

I am Beth Trudel. I have been running and training dogs for 20 years. I own Chesapeake Bay Retrievers. I run mostly AKC hunt tests, but also run HRC hunt tests.

I am a judge for AKC Hunt Tests. I was elected to judge the Master National in 2020 and 2021.

Looking forward to judging all your fine dogs.

Beth Trudel

## Tim Bauknecht

Green Bay, WI

I would like to extend a heartfelt thank you to the Curly-Coated Retriever Club of America for the honor and privilege of judging the club's working tests at their National Specialty in Wisconsin. I am excited to see this delightful breed showcase doing what they were bred to do out in the field!!!

My background in retrievers started in 1999 when I got my first flat-coated retriever. I began to get involved in my local all-breed and retriever clubs to have a better hunting dog with zero intention of achieving any titles. We successfully ran AKC hunt tests and FCRSA working tests and at that point I was hooked. I still remember my first Junior Hunter ribbon we earned at the FCRSA National Specialty in 2003. Over the years I have been involved in many other aspects of the dog sports including conformation, agility, obedience and rally, but I will never forget the feeling I had running my dog at that specialty. I can't wait to be apart of those memories for participants at this specialty!

Have fun! Enjoy these special times with your dog and be sure to cheer for your fellow curly-coats!

Guns up, dog to the line!!!

# Meet our Field Judge

**Working Certificate Excellent**  
**Working Certificate Qualified**

## Cathi Kanouse

Sheboygan, WI

I got my first golden in 1992 and haven't looked back since! I began in obedience with my first girl and loved it. When I got my second golden in 1994 I thought it would be fun to take the intro to field class offered by the Manitowoc Kennel club and found my true passion. Tuc loved field work and had his Junior title at 13 months. Since then I have titled several goldens through the Master level, all trained by me. I have also participated in two Derbies and guided upland hunts.

A few years ago I decided it was time to give back to the sport I love, so when my club, Manitowoc, offered the Judges Seminar I took it and became a licensed judge. I have judged many Junior and Senior level tests since then. In the past few years I have judged working tests for Golden Retrievers and Nova Scotia Duck Tolling Retrievers, including the Golden National and Toller Back Yard Classic.

Thank you for the opportunity to judge your Working Certificate tests. I look forward to watching Curlies do what they were bred to do.

# Meet our All-Breed Agility Judge Sionag Black

Beaver Dam, WI

Sionag (“Sheena”) Black has been judging AKC agility trials since 2000. She presently is owned by two Golden Retrievers. Over the years, she has showed six Golden Retrievers in agility, three of whom have earned at least one Master Championship. “I love watching this sport from a judge’s perspective. There is so much talent, both human and canine. There are runs that take your breath away, runs that have you doubled over in stitches, and everything in between!”

In addition to judging and showing in Agility, Sionag trains and shows her dogs at hunt tests and obedience trials. She is retired, which allows her time to do all this!!

# Meet our Obedience Judge Lynn Tamms Oshkosh, WI

I've been around dogs all my life. Before I was born, my dad gave my mom a cocker spaniel puppy for Christmas. I got my first miniature schnauzer in 1970. I had no clue you could actually train dogs, and Sidney pretty much did what he wanted to. After he died, I got my first "show dog". Timmy was supposed to go into the conformation ring, but alas, he got too tall. A friend from work told me there were other things you could do, and that was the beginning of it all. Timmy got his CD ( I was beyond excited) and eventually got his CDX. Once you get "bit by the bug", it's a lifetime addiction. I've shown dogs in various venues (obedience, agility, rally, tracking, earthdog, Fast Cat) since 1983. I've had some fabulous successes with some of them and some real learning experiences with all of them. In 1994 I started the process of becoming an AKC obedience judge and picked up rally when it started several years later. I love the sport of dogs, not just because of the ribbons, but also because of all the friends I've made and the places I've been. I love judging because it gives me a chance to watch dogs and their owners do their thing and meet lots of neat people.

## Meet our Rally Judge

Ronda Bermke

Greenleaf, WI

Canines and the sport of pure-bred dogs have always been a big part of my life. I grew up participating in dog events with my mother and, with the exception of college life, have never been without a dog. My very first AKC licensed show was in 1979 with my Shetland Sheepdog. Since then I have “grown up” and established my own kennel, White Ridge, located just outside of Green Bay, WI. I am married to Rob and we have one son, Sam. Currently we share our home with Standard Longhaired Dachshunds and two Border Collies. I am involved and titled my dogs in multiple AKC venues, including conformation, agility, obedience, rally, scent work, herding and earth-dog work. In 2011 I became an AKC agility judge and soon followed with my junior showmanship license, rally license and conformation license to judge dachshunds and several other breeds in the conformation ring. I appreciate and delight in watching each and every team that steps to the start line in the rally ring. Best of luck to you in whatever ring your dog takes you to!

## Meet our 4-6 Puppy Judge

**Anna Lorenz**

Elkhart Lake, WI

Mrs. Anna Lorenz has been actively involved in AKC performance sports as well as conformation, for over 30 years. She has earned HIT and High Combined awards, as well as over 45 working and performance titles on her Newfoundlands and Border Collies. Mrs. Lorenz is active as an exhibitor in conformation, draft, water rescue, herding, rally and obedience, and has earned many Championships as well as Best in Show and High in Trial awards. She is currently a Conformation Judge of 17 breeds.

“I recognize all the time, effort and heart people have put into training their dogs, and I am fortunate to have the opportunity see the unique relationship each team brings to the ring.”

Mrs. Lorenz would like to thank the club for the honor of being chosen to judge at this prestigious event. She wishes all the teams the satisfaction of bringing their best performance to the ring, and looks forward to an exciting, enjoyable competition.

# Meet our Junior Showmanship And Sweepstakes Judge

Puppy Sweepstakes  
Veteran Sweepstakes

## Kylie Jo Hirschy

Eagle WI

Kylie is currently a breeder and owner/handler of Field Spaniels under the Calico prefix. In addition to training and participating in a therapy dog program, she also trains and competes in agility, scent work and dock diving.

As a Junior handler, she qualified twice for Westminster. In addition, was top junior in both Field Spaniels and Golden Retrievers.

Since 2001, Kylie has judged junior showmanship including at 9 national specialties.

# Meet our Sweepstakes Judge

## Gundog Sweepstakes

# Ellen Hardin

Custer, WI

Thank you for the invitation to judge the Gun Dog Sweepstakes at this year's National Specialty; I am very honored. Although I had to wait until I finished graduate school to get my first dog, I have been involved with the sport of purebred dogs ever since. My late husband, Jim, and I bred our first litter of Ariell Goldens in 1984, and since then, have produced dogs successful in breed, obedience, field, agility, tracking and therapy work. While serving as the AKC delegate for the Golden Retriever Club of America for the past 12 years, I have also pursued judging and am approved to judge Golden Retrievers, Curly-Coated Retrievers, Flat-Coated Retrievers, Nova Scotia Duck Tolling Retrievers and German Shorthair Pointers, and provisional for Labradors and Weimaraners.

Currently I am running a ninth-generation homebred amateur-trained UD bitch in Senior hunt tests and loving the work; training and running dogs in the field gives one great insights into the retriever breed standards. The ideal gun dog must have proper structure and movement, combined with a sound temperament; birdiness, biddability and the drive to work complete the package!

Thank you to all -- past, present and future fanciers -- for bringing me to this moment. Best wishes to all competitors for a memorable National.

## Meet our Conformation Judge

**Hannie Warendorf**

The Hague, Netherlands, EU

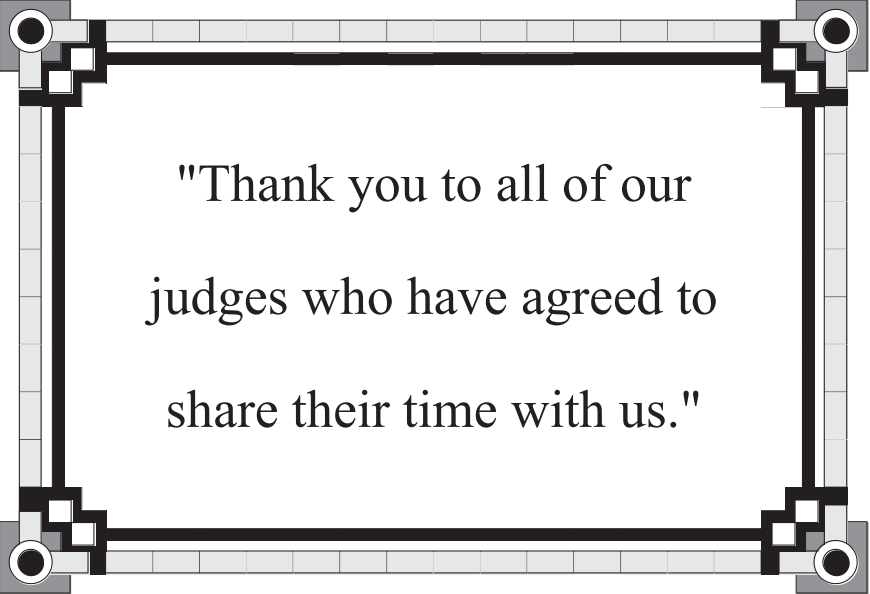

First of all many thanks for inviting me to judge the National Specialty in Oshkosh it is a big honor and a highlight of my 'judge career'.

In 1987 I imported my first Curly Coated Retriever from England, Darelyn Vincent, a grandson of the fabulous Darelyn Rifleman, followed by the Rifleman son Cornish Marksman who sired my Caballus Kingfisher, Andy for his friends. Andy was a true dual-purpose Curly, excellent picker up at the shoots in Belgium where I worked him and very successful in conformation. He even became English Full Champion, a title not many dogs have gained and for me most important title for a Curly. Andy can be found in several American pedigrees of today's dogs.

At this moment I own two Curly Coated Retrievers accompanied by two Lancashire Heelers. With all Curlies I owned over the years I competed in field tests, worked them at shoots, showed them to their titles and had many placements and wins in the finals, including Best in Show at the Curly World Seminar

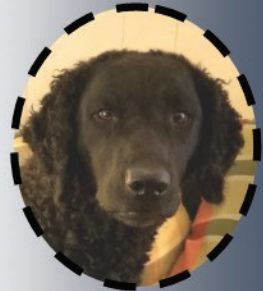

in 2014. I also competed in obedience and do all kind of dog activities just for fun, as every dog has it's own talents and qualities.

I passed my first judge exam I in 2003 which was of course 'my own' breed. Since then I have judged Curlies in 10 countries all over Europe, including giving CC's in Great Britain. At this moment I am approved for 16 breeds and only want to judge breeds who have my interest. In my judging I always search for a sound dog who is close to the breed standard without any exaggregation, a dog like that will be fit to do his original work all day long.

"Thank you to all of our  
judges who have agreed to  
share their time with us."

## FOR CURLY-COATED RETRIEVERS ONLY

The Curly-Coated Retriever Club of America would like to welcome you to our 2022 National Specialty Working Certificate and Upland Working Certificate tests and the return of Super Singles! Rules can be found on [https://ccrca.org/field\\_WC\\_programs.html](https://ccrca.org/field_WC_programs.html). Rules for Super Singles can be found on the National Specialty page: <https://ccrca.org/specialties/2022.html>

The CCRCA would like to thank the following:

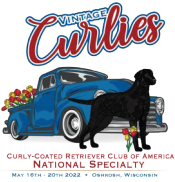

- The Marshals, Gunners and Throwers for their time and expertise.
- The Handlers without whom there would be no test.
- The Judges for their hard work and fair evaluations.

In an effort to respect the grounds and the tests taking place on them, please take note of the following...

- Park in designated parking areas as directed by your stakes marshal.
- Air your dogs in areas where you will not disturb tests in progress.
- Help us keep these grounds clean. Please do not litter.
- Unsportsmanlike conduct is the responsibility of everyone, and incidents should be reported to the members of the Hunt Test Committee. Individuals committing such acts will be reported to the Curly-Coated Retriever Club of America.

Good Luck,  
Jolene O'Brion  
Chair

# Welcome to the 2022 CCRCA Field Events

Chukkars will be used for the UWC and UWCX. Ducks will be used for WC, WCX and WCQ. Chukkars will be used for Super Singles.

PLEASE be advised that orange is required on your head and on your back/front when participating in upland. Also required in gallery.

**Bitches in Season**

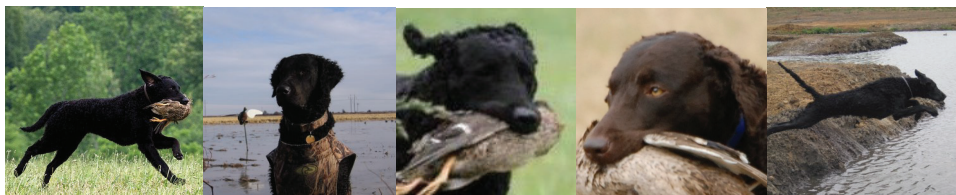

**Bitches in season will be allowed to run after all other dogs.**

**Prizes**

A Ribbon Ceremony will be held on site following completion of each day's events.

Rosettes and bird bands awarded for qualifying performances in the Upland UWC/UWCX & Retriever WC/WCX/WCQ. First through Fourth Place will be awarded in each Super Singles class.

\*Non-CCRCA members will be awarded a certificate for a \$5.00 fee.

## Field Test Participants, Spectators and Gallery Rules of Etiquette

Treat the grounds with respect and please stay in the area designated by the marshal. Carefully extinguish all cigarettes and matches. No alcoholic beverages allowed.

Do not allow your dog to distract the dog that is being tested.

Reasonable silence, good manners and sportsmanlike conduct are required of all spectators. Any spectator interfering with any test will be directed to leave the hunt grounds. No dogs are allowed in the Spectator's Gallery. Feel free to ask questions. Respect the fact that some handlers and their dogs may be new at this and nervous about competing.

Please keep your dog on leash at all times. Exercise your dog, and then hold him in the designated Ready Area. Clean up after yourselves and your dogs.

While other dogs are being tested either on land or water, please refrain from loud talking or other noises, or from unnecessary motion and do not applaud until the dog has completed the tests and is leaving the line; all may be distracting and seriously interfere with the working dog.

**Be aware that we are using live ammo during testing.**  
Please watch yourself and your children.

Thank you,  
Curly Competitors and Volunteers

**“Who will have the honor of being the next Master Hunter?”**

## American Kennel Club Master National Hall of Fame

The AKC Master National Hall of Fame was created to honor retrievers who qualify three times at the MNRC. This event is by invitation only so each dog must qualify to attend by passing six Master Hunter tests. Once qualified, the dog must attend and pass the five Master series stakes to earn the coveted plate.

## American Kennel Club Master National Hall of Fame Curly-Coated Retrievers

### “Angus”

Handler/Trainer: Steve Raney

AKC #: SR58162906

DOB: 09/01/2009

Sex: Male

Color: Black

Passes: JH 4, SH 5, MH 11, MN 1

First Pass: 10/29/2011 Labrador Retriever Club of So. California (2 years, 1 month old)

Title Pass: 05/05/2012 Sierra Nevada Retriever Club (2 years, 9 months old)

Master National Pass: Angus had four consecutive Master National Passes from 2012 –2015

Field Trophy Winner: 2015

## American Kennel Club Field Trials

Retriever Field Trials **measure how well they can retrieve in the field at longer distances than in hunt tests**, and are judged in comparison to other dogs entered rather than pass/fail. Judges look at your dog's natural abilities such as marking a fall, memory, intelligence, attention, style, courage, and perseverance.

### **What is AKC Qualified All Age?**

QAA or **Qualified All Age** is not a title it is actually a designation of sorts. It means a dog has either placed 1st or 2nd in a Qualifying stake or has placed or JAM'd (judges award of merit) in an All Age Stake (Open or Amateur). Primarily the QAA designation would be used if an Open stake is run as a Limited.

Qualified All Age Curly-Coated Retrievers:

GCh Podunk's Better Days Ahead CDX MH **“Rhino”**

Sire: Ch Chocca-Shaw Irish Blessing MH

Dam: Ch Ptarmigan Song of Hiawatha JH

Breeder/Owner: Alex Shull

Trainer/Handler: Sarah Shull

# CURLY-COATED RETRIEVER CLUB OF AMERICA

Ross Round Fund

DEDICATED TO THE MEMORY OF OUR FRIEND ROSS

## **Ross E. Round III Memorial Fund**

The purpose of the Ross E. Round III Memorial Fund is to create a permanent fund to promote the preservation of the Curly-Coated Retriever as a working retriever. The fund is named in honor of Ross Round, a true supporter of the breed, its fanciers and curly field activities.

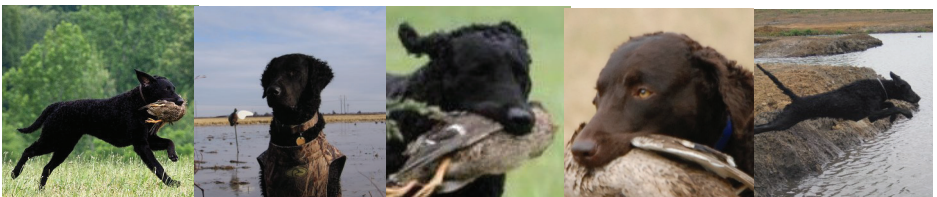

The Field Committee is charged with developing a strategic plan for fund raising and prioritizing distributions and will administer the fund. Monies will be held by the CCRCA Treasurer and shall be distributed as directed by the Field Committee.

The Field Chair is required to report all distributions in the next scheduled issue of the Curly Commentator and shall provide an annual report on the fund's activities to be distributed at the CCRCA Annual Membership Meeting.

The fund shall be established and maintained through voluntary contributions from a variety of sources, including direct donations, optional contributions as part of the CCRCA's annual dues and fundraisers sponsored by any organization.

The purpose of the fund is to further hunting interest and field training with Curly-Coated Retrievers. Potential opportunities may include the following:

- Supporting a CCRCA lending library for training resources
- Advertising the breed in gundog type magazine
- Providing seed money for new regional groups organized to train and run working tests
- Supporting the efforts of the Public Education Committee at sportsman's shows

# CURLY-COATED RETRIEVER CLUB OF AMERICA

## WORKING CERTIFICATE PROGRAM

Revised 2001

The purpose of the Curly-Coated Retriever Working Certificate Program is to foster and encourage the natural retrieving abilities of the breed. It is designed to prove effective use of nose, marking ability, swimming, perseverance and the ability to work with the handler. The Working Certificate test (hereafter WC) shall consist of simple land and water tests, which will allow the basic natural ability of the Curly to be ascertained. The Working Certificate Excellent test (hereafter WCX) will test to a somewhat higher level of difficulty. The Working Certificate Qualified (hereafter WCQ) will not only test marking at the level expected of a finished dog, but also the ability to handle so as to determine trainability. To qualify for a certificate, all the required tests must be passed at the same series of tests. Birds that may be used include grouse, pheasant, quail, duck, chukar partridges, and pigeon. Handlers will be notified in advance as to which birds will be used. All dead birds used will be freshly killed. Bitches in season are eligible to run only after all other dogs have completed the series. In the meantime, they must be kept off the test site and away from the other dogs. The work "dog" throughout this document will refer to either sex.

### Working Certificate Test Judges / Judges' Guidelines

There shall be two judges for each set of tests.

The combined experience of a set of two judges shall include at least three AKC licensed retriever field trials or three AKC, HRC/UKC, or NAHRA licensed hunting retriever tests or any three of these in combination.

At least one of the judges shall have qualified a dog in the same or sim-

ilar test; i.e., tests including the same or greater elements as the level of test to be judged. This includes, but is not limited to, qualifying a dog in other retriever breed's Working Certificate Tests, AKC Hunt Tests, NAHRA Field Tests, HRC/UKC Hunt Tests and AKC Field Trials.

Judges should be mailed the requirements of the various working dog certificates at least two weeks before the test.

Upon completion of the tests, both judges shall complete and sign the Verification Form for the test, marking pass or fail, and give this completed form to the owner or handler at events not sponsored by the CCRCA.

### **Disqualification**

- Sending the dog before the judge's signal or an uncontrolled break.
- Refusal to pick up the bird or dropping and leaving the bird before returning across the line to within a five-foot radius of the handler. Dropping the bird while the dog is adjusting its hold is not grounds for disqualification.
- For the WCX or WCQ not delivering the bird to hand.
- Flagrant refusal to enter water, cover, mud or other unpleasant or difficult terrain if the dog must do so to return the bird expeditiously. However, a dog which bank runs or avoids cover on the WC or WCX tests will not be disqualified so long as it completes the retrieve in satisfactory fashion.
- Unwillingness to deliver the bird to the handler or refusal to release the bird to the handler.
- Evidence of hard mouth, that is, badly damaging the bird, making it unfit for the table.
- Manhandling or abuse of the dog by the handler, either on or off the line.
- Severe gun shyness.
- For the WCX or WCQ, after finding the bird, switching and picking up another bird.
- Clear failure to mark at least the vicinity of a fall, which the dog had reasonable opportunity to mark.
- Serious displays of meanness, such as unprovoked attacking of another dog in the blind or en route to or from the line and/or snapping at the judges or others near the test area, shall be considered grounds for disqualification.
- A minor fault repeated shall be treated as major and either it or an accumulation of different minor faults shall, if deemed excessive by the judges, be grounds for disqualification.

## Eligibility

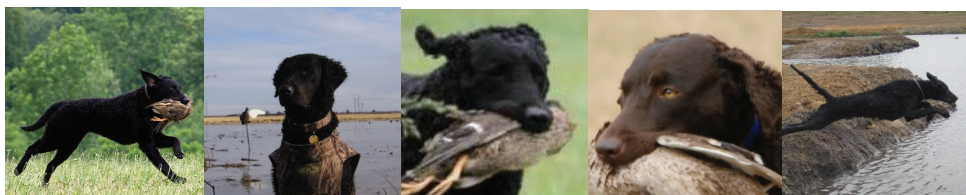

Any Curly-Coated Retriever six months of age or older and registered with the AKC, UKC, FDSB, or CKC or any other foreign kennel club maintaining a national registry shall be eligible to participate in the CCRCA working certificate tests and upland working test . The test organizers shall have the option of opening the tests to other retrievers; time allowing and assuming the tests meet that breed's parent club's standards for such tests. The CCRCA shall not issue certificates to any breed other than Curly-Coated Retrievers.

In addition, any Curly-Coated Retriever that meets one of the above requirements may earn a CCRCA Working Certificate by successfully completing any working test held by the breed clubs of other retrievers or of Irish Water Spaniels, so long as the tests meet the minimum requirements for the appropriate Working Certificate of the CCRCA.

Any qualifying score at an AKC licensed Junior Hunting stake, or an HRC Started stake, or NAHRA Started stake will qualify a dog for a WC title.

Any qualifying score at an AKC licensed Senior stake or HRC Seasoned stake or NAHRA Intermediate stake, or completion of a Derby stake at an AKC sanctioned or licensed trial, will qualify a dog for a WCX title.

Any qualifying score at an AKC licensed Master stake or HRC Finished stake or NAHRA Senior stake, or completion of a Qualifying, Amateur, or Open stake at an AKC sanctioned or licensed trial, will qualify a dog for the WCQ title..

## Glossary for Upland and Working Tests

**Retrieve:** A dog shall proceed quickly and eagerly on land or into the water to the birds, and return promptly with the bird to the handler.

**Marked Fall:** Birds that the dog had cleanly seen.

**Steady:** The dog that waits quietly beside its handler and does not retrieve until commanded to do so.

**Break:** The dog makes a movement indicating the deliberate intent to retrieve without having been ordered by its handler and does not return to the handler's side when ordered to return.

**Controlled Break:** A dog makes an attempt to retrieve and is quickly brought back to the handler's side.

**Blind Retrieve:** The dog is directed by its handler to retrieve a bird that it has not seen fall. Hand signals, voice, and whistles are used to guide the dog to the bird.

**Honor:** The dog must watch another dog retrieve its marked falls.

**Gallery:** The spectators observing the test who shall remain far enough from the retrieving line so they do not interfere with the judges, handler or dog's ability to see its handler while out in the field.

**Quartering:** A test to evaluate a dog's attempt to find game in cover by hunting with its nose and eyes within reasonable gun range of the Handler.

**Retrieving Line:** The area the judges, handler and dog work out of.

**Trailing:** A test to evaluate a dog's ability to find a scent trail and follow it to the bird without Handler knowing where the bird is located.

**Walk-Up:** A test to demonstrate the ability for a dog walking at heel with Handler to sneak up, flush sitting birds and for the dog to retrieve a shot bird.

## Working Certificate—WC

### Requirements, WC

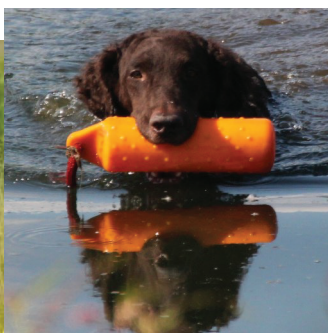

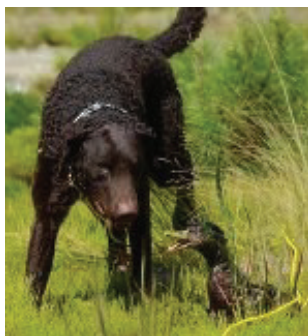

The land test, a single, shall consist of a freshly killed bird thrown 40 to 50 yards from the line in light to moderate cover. The throw shall be accompanied by a shotgun shot, either live shells or blanks. The dog need not be steady and may be restrained.

The water test shall consist of back-to-back singles, using ducks in open swimming water. The first bird shall be thrown 25 to 35 yards from the line, accompanied by a shotgun shot. The bird must be visible from the line when in the water. The second retrieve will have the same requirements as the first except it must land approximately 60 degrees or more from the first retrieve and be in light cover. The line may be moved so that the fall will be in a different area from the first retrieve.

For both the land and water tests, it is not necessary for the dog to be steady and return the bird to hand. However, the bird must be delivered across the line to within an approximate five-foot radius of the handler. The judges should look for evidence of severe gun shyness; that is, any attempt to bolt away at the sound of the shot so that the dog has to be restrained.

For both land and water tests, all guns shall be plainly visible to the dog from the line and shall not retire after firing.

If, in the opinion of the judges, the dog did not have a reasonable chance to mark the fall or was confused for reasons beyond its control, the test may be repeated or the dog recalled to the line by the handler and resent without penalty.

## Working Certificate Excellent —WCX

### Requirements, WCX

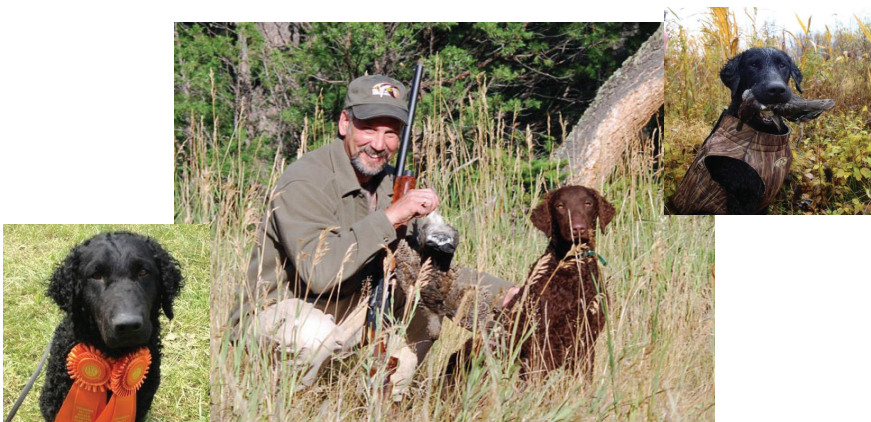

The land test shall consist of one double mark on land. One bird shall be thrown approximately 50 yards from the line; the second may be up to 100 yards from the line. One bird shall be a shot flyer. The birds must land in light to moderate cover approximately 60 to 90 degrees apart. The dog may not be physically restrained at the line. A shotgun shot will accompany the fall of each bird.

The water test will also consist of a double mark. It will utilize ducks, one thrown approximately 50 yards from the line, the second not over 100 yards. The birds must land approximately 60-90 degrees from each other, and at least one downed bird shall not be visible from the line. As in the WC, a shotgun shot must accompany the fall of each bird. When circumstances allow, it is recommended that one bird in the water test shall be a shot flyer.

In both the land and water tests, the dog must be steady and deliver to hand, but is not required to sit or heel before doing so. A controlled break shall be considered a minor fault, not by itself grounds for the disqualification of a dog being tested.

For both land and water tests, all guns shall be plainly visible to the dog from the line and shall not retire after firing.

Decoys shall be used in at least one test (normally, the water test).

## Working Certificate Qualified — WCQ

### Requirements, WCQ

The land test shall be a triple mark in moderate to heavy cover with falls of up to 120 yards. One of the birds shall be a shot flyer. A shotgun shot or shots will accompany each fall. The test will involve changes of cover, terrain, or other barriers.

The water test shall be a double mark in light to moderate cover utilizing ducks. The downed birds shall not be visible from the line. Falls may be up to 100 yards from the line and preferably of different lengths. A significant portion, but not all, of either mark needs to be through water. This test should include changes of terrain, cover, or other barriers, and the angle of the falls shall be sufficiently tight to provide some temptation to switch or go back to re-hunt the first fall after having retrieved that bird. A shotgun shot or shots shall accompany the throwing of each bird.

For both the land and water retrieves all guns shall be plainly visible to the dog from the line.

Dogs must be steady and deliver to hand. Severe bank running or serious cheating on cover will be considered grounds for failing a test.

Dogs shall be required to honor while another dog is sent on one set of marks. The honoring dog will remain where indicated by the judges until the working dog has left the line and/or has been released by the judges. It is permissible to speak to the honoring dog as long as it does not interfere with the working dog. A dog whose failure to honor interferes with the running dog shall be disqualified.

The land blind will be a planted bird up to 100 yards from the line in light cover, or up to 75 yards in moderate cover. The blind shall be placed so that is cannot be readily winded until the dog has approached the vicinity and gone nearly the full distance to the bird. Whistle and hand signals and such commands as “over” and “back” may be used to direct the dog to the bird. Dogs should look, but need not sit on whistle. Repeated refusals to handle or respond to whistle shall be deemed grounds for failing the test. Dogs will be expected to take a line from the handler and carry it a considerable distance. If early correction of the line is necessary, then the dog should carry the secondary line from the handler and carry it a considerable distance. Failure to do so, with the result that the dog must be handled excessively, shall also be deemed grounds for failure.

The water blind will be a planted bird up to 100 yards from the line in light to moderate cover. It need not be in the water, but a good portion of the route to the bird must be through swimming water. Other requirements are the same as to the land blind. One of the blinds, either land or water, shall be in the vicinity of earlier marking tests, so as to create some confusion or distraction for the dogs to cope with.

# CURLY-COATED RETRIEVER CLUB OF AMERICA

## UPLAND WORKING TEST PROGRAM

Revised June 2019

CCRCA Upland Rules and Guidelines UWC and UWCX Curly-Coated Retriever Upland Hunting Program June, 2019 The Curly-Coated Retriever (CCR) hunting program is designed to test CCRs as upland hunters. It will test instincts, hunting abilities, the ability to find, flush and retrieve upland birds. In the process, the dog will exhibit to the judges its tolerance of gun fire, willingness to challenge cover, perseverance and ability to discriminate old scent from fresh. All of these attributes the judges will evaluate to pass or fail the CCR as an effective upland hunting companion.

Two Levels of certification will be offered. The Upland Working Certificate is designed to evaluate a dog for gun shyness, the basic instincts of quartering and flushing as well as the ability to find downed game without seeing it fall. The Upland Working Certificate Excellent is designed to evaluate a dog for all of the instincts of the UWC as well the ability to track a wounded bird. At this level, through team work, the dog will display a more polished, efficient hunting strategy to prove its trainability to the judges.

### Upland Working Certificate Judges / Judges' Guidelines

At the line- in the (UWC) some confusion on the part of the dog, handler or both may be acceptable due to inexperience of the team. In the (UWCX), there shall be no confusion. These dogs and handlers should have experience in training and testing.

**Cover-** Ideally cover should be light but dense enough to hide and hold the planted bird. Birds should not be visible.

**Delivery-** At this level (UWC) delivery to hand is not required but the bird should be retrieved to within 6 feet of the handler. At the (UWCX) level, all birds shall be delivered to hand. At this level the dogs should demonstrate their training. All birds should be “suitable for the table” upon judge’s inspection.

**Recasts-** The (UWC), in the event that a dog or handler may become confused at the line, recasting is permissible. At this level it is quite likely that the handler may have limited field experience also. If it becomes necessary to continually recast in order to persuade the dog to hunt, the judges shall consider this heavily in their decision of the overall performance by the dog. Repeated need to recast and failure to hunt may indicate a lack of instinct and can be considered grounds for failure.

In the (UWCX), any recast shall be at the judges discretion, not the handler’s. It shall be permissible for the handler to ask a judge’s permission for a recast. The judges may or may not permit recast. Both judges must be in agreement. Keep in mind that if a handler has a dog in the field and is requesting a recast, the dog is moving and the decision must be swift and complete.

**Response to gunfire-** In the (UWC) the dog need not be steady to shot but must display a reasonable response to the handler’s commands. A complete disregard for the handler’s commands at the line can be grounds for failure. A dog that displays an obvious fear at the sound of gunfire shall not pass. It would be unfair to the dog to force them into a fearful situation.

In the (UWCX), any shyness to gunfire shall be grounds for failure.

**Restraints-** In the (UWC) dogs shall be restrained at the line and between testing venues with a snap lead, a slip lead, a check cord or by holding on to the collar. All leads shall be removed before sending the dog.

In the (UWCX), the dog shall be brought to the line on-lead. The dog must display manners and response to the handler’s instruction. Failure to do so will be a display of poor training and can deduct heavily from the dog’s scoring.

It is permissible for the handler to touch the dog or steady him by holding the collar while taking the retrieved bird as long as there is no intimidation. Acceptable collars will be flat with buckle or snap. Identification tags are acceptable. They may be riveted or on a typical ring of attachment. No metal, choke, slip, pinch or training collars.

**Accidental finds-** As in true life hunting, sometimes in upland tests a dog may find, flush or retrieve a lost bird or cripple from a previous dog's test. Although it is preferable that the dog flush, the judges shall consider an accidental find as a flush as long as the dog returns the bird to hand and shows good instincts in all other ways throughout its test.

**Air Scenting-** Different dogs hunt in different ways. Some hunt with nose up, some with nose down or from time to time, a combination of the two styles. It shouldn't matter how a dog manages to lock and hold scent. The strongest scent may not be on or near the ground. So it follows that "air scenting" shall be allowable as the dog performs its tasks in the field. What is important is that the dog maintains forward progress to the bird in a manner acceptable for the task being evaluated.

### **Administration**

1. Working Certificate Application and Emergency Plan forms shall be obtained by the Event Secretary of a CCRCA sponsored working certificate test from the Field Committee Chairman of the CCRCA. The CCRCA Upland Event Secretary is responsible for sending the completed Working Certificate Application and Emergency Plan Forms to the Field Committee Chairman.
2. It shall be the Event secretary's responsibility to make and deliver a record of the dogs entered and results of the event for a CCRCA sponsored event to the Field Committee Chairman.
3. In cases where the dog meets requirements for an Upland working certificate at a non-CCRCA sponsored event, the owner or handler is responsible for obtaining the Verification Form from the Field Committee Chairman. The owner or handler is responsible for sending the completed Verification Form signed and marked by the judges to the Field Committee Chairman.
4. It is the responsibility of the owner or handler to make a Photostatic copy of the form completed by the judges, if he or she desires one.
5. A fee shall be charged for entry into an Upland working certificate

stake sufficient to cover the cost of the birds and other expenses.

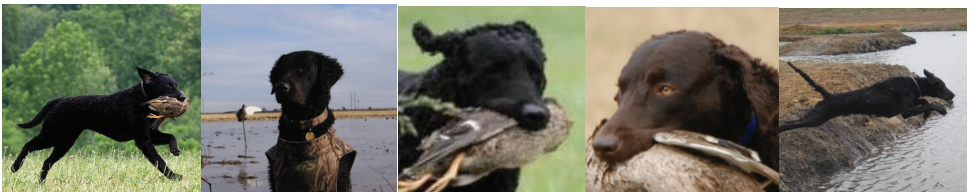

6. If a dog owned by a non-CCRCA member has qualified for a certificate, a fee of Five Dollars shall be charged for processing of the forms and issuance of the certificate. For dogs owned by CCRCA members there shall be no fees.
7. Upon receipt of the completed forms verifying that the dog has passed, and any required fees, the Field Committee Chairman of the CCRCA shall issue the appropriate CCRCA Upland Working Certificate.
8. The receipt of a certificate entitles the owner to indicate his or her dog's achievement by including the letters UWC after the dog's name in documents other than those considered "official" by the AKC or other registries.
9. Any dog which has passed the CCRCA UWC test requirements prior to September, 2019 shall be considered to have fulfilled the requirements of the new UWCX.

## 10. JUDGES

Two judges are required for the Upland Working Certificate (UWC) test, at least one of which meets the following criteria.

- An individual deemed qualified by the CCRCA field committee\*;  
or
- An individual who has served as an apprentice judge at another CCRCA Upland Test, or
- A Licensed HRC Upland Judge; or
- A Licensed AKC Spaniel Test Judge or
- A NAHRA judge, qualified at the Senior level.

11. All dogs that enter the UWCX must have passed the UWC test prior to participating in the UWCX. A dog that has acquired a UWC certificate by participating in another recognized upland event may also be allowed to participate in the UWCX as long as the required paper work is complete.

### THE UPLAND WORKING CERTIFICATE (UWC)

The three components of the UWC: The dog's response to gunfire and birds (the walk up test). The dog's ability to quarter, find and flush birds. The dog's ability to find downed game which it didn't see fall (the blind retrieve).

IN THE WALK-UP TEST, the judges shall determine the starting point or "line" for the exam. The dog shall be brought to the line on lead. At the line, prior to the start of the walk-up, the handler shall remove the lead. As motion begins, a bird thrower will announce "there goes one" as a shot is fired and a bird will be thrown no closer than 10 yards out in front of the dog. The handler will instruct the dog to retrieve the bird. The dog need not be steady to shot but must not portray gun shyness. The bird does not need to be delivered to hand but must be retrieved to a reasonable proximity to the handler, i.e. six feet. This is not a steadiness exercise but rather an evaluation for gun shyness and interest in birds.

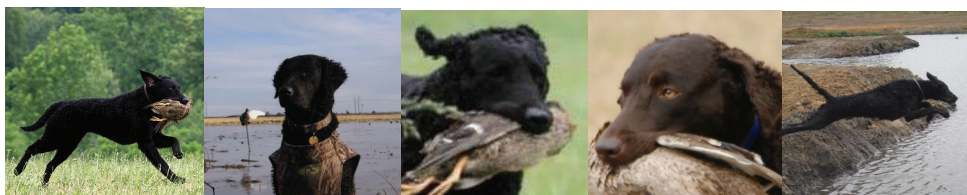

IN THE FLUSHING TEST, the judges shall predetermine the appropriate area to conduct the planting of two birds with adequate distance between the two birds. The precise bird placement shall be blinded to the dog and handler. There shall be two gunners and two judges. In the event two gunners are not available, one of the judges may serve as a gunner. The line will be established by the judges. The dog shall be moved from the area of the walk up test zone to the line of the flushing test on lead. The first bird shall be planted 20-30 yards out from the line or far enough for the dog to establish a quarter and hunt. We don't want the dog to flush before exhibiting his ability to quarter. The gunners will walk approximately 30 yards apart preferably with the dog exhibiting an arc between them. The handler may use voice, whistle or hand signals to help redirect the dog to the preferred area if necessary.

Once the bird is flushed and shot, the dog should proceed on its own to retrieve the bird to the handler. The bird does not need to be delivered to hand but to a reasonable proximity to the handler, i.e. six feet. Once the first bird is retrieved and delivered, the handler will instruct the dog to continue hunting to the next bird. After the second bird is retrieved and on instruction from the judges, the handler shall place the dog back on lead to be quietly lead from the test area to a blind or area shielding the view of the next and final test zone.

## Upland Working Certificate –UWC

The flushing, shooting and retrieving of both birds ideally should take no longer than five to eight minutes. But, as in real life situations, longer may be required based on terrain, wind and scenting conditions. The judges will have the ultimate discretion on length of time required for the flushing of two birds. In the event a bird is found by the dog and trapped before flushing, the judges should count that as a flush as long as the dog returned with the bird to the handler. In the event the bird flushes but is missed and flies away, the judge shall declare a “fly away” at which time, once recalled, the dog should return to the handler within a reasonable length of time as determined by the judges. The dogs at this level are expected to be less experienced, so the judges shall have latitude in determining “a reasonable length of time”. At no time will loud, boisterous or an intimidating tone of voice be accepted from the handler. If a dog fails to return to handler and in the judge’s mind shows poor regard for the handler’s command, the dog shall be failed. All birds shall be delivered in a condition that is “suitable for the table”.

THE BLIND RETRIEVE, shall mimic a hunt for downed game that neither the dog nor handler saw fall. While the dog and handler are shielded from view, a dead bird is planted in light to moderate cover in an area approximately 25 yards by 25 yards. A shot should be fired in the direction of the bird indicating a bird is down. The handler and dog will proceed to the edge of the marked area at which time the handler will release the dog and instruct the dog to hunt. The handler must not enter the marked area. The handler may encourage the dog and if necessary redirect the dog back to the marked area. Once again, delivery to hand is not required but the bird should be delivered to within six feet of the handler. This exercise should take no longer than five minutes.

## Upland Working Certificate Excellent –UWCX

### THE UPLAND WORKING CERTIFICATE EXCELLENT (UWCX)

The (UWCX) test is the next upland level for CCRs that have passed the (UWC). The components of the (UWCX) include: The dog's response to gunfire and birds (the walkup test). The dog's ability to quarter, find and flush birds. The dog's ability to find game which it didn't see fall (the blind retrieve). The trailing and retrieving of wounded game.

IN THE WALK UP, the judges shall determine the starting point or "line" for the exam. The dog shall be brought to the line on lead. At the line, prior to the start of the walk-up, the handler shall remove the lead. As motion begins, a bird thrower will announce "there goes one" as a shot is fired. The bird shall be thrown no closer than 20-30 yards out in front of the dog and handler. The handler will instruct the dog to retrieve the bird. The dog need not be steady to shot but must not portray gun shyness. The bird shall be retrieved to hand. This is not a steadiness exercise but rather an evaluation of gun shyness and interest in birds. The delivery to hand portrays trainability and discipline of the dog.

IN THE FLUSHING TEST, the judges shall predetermine an appropriate area for the planting of two birds with adequate distance between the birds. The placement of the planted birds shall be blinded to the dog and handler. The first bird shall be planted at least 40 yards out from the line or at least far enough for the dog to exhibit the quartering skill for which he is being judged. We don't want the dog to flush before he has established "the quarter". The second bird shall also be planted a suitable distance from the first bird to re-establish the quartering skill. The birds shall be hidden in moderate cover if available. In the hunting party there shall be two judges and two gunners. In the event that only one gunner is available, one of the judges may serve as a gunner.

## Upland Working Certificate Excellent –UWCX

The judges will determine the direction the hunting party shall move. The dog shall be moved from the area of the walk-up test zone to the line of the flushing test on lead, the dog must exhibit good control for the handler. If the dog charges into the “flush zone” before the hunting party is ready to begin their hunt, the judges may deem this as poor control and fail the dog. The judges will signal the beginning of the flushing test. The gunners will approach the “flush zone” approximately 30-40 yards apart. Ideally, the dog will move with the gunners in an arcing pattern between the gunners.

The handler may use voice, whistle or hand signals to re-direct the dog to the preferred area if necessary. Once the bird is flushed and shot, the dog shall proceed on his own to retrieve the bird to hand. Once the first bird is retrieved and delivered to hand, the handler shall instruct the dog to continue the hunt to the next flush. Once the second bird is delivered to hand and on instruction from the judges, the dog will be moved from the flushing test area to a blind or holding area shielding his view of the bird placement for the next exercise, the blind retrieve. The same rules apply regarding on-lead as the dog and handler move to the holding blind.

As in the (UWC) test, the hunting, flushing and retrieving of both birds should take no longer than five to eight minutes. If conditions of the field dictate a longer hunt, once again as in the (UWC), the judges have the ultimate discretion on the appropriate length of time the dog may require to flush both birds. The (UWC) guidelines for trapped birds, fly-aways and accidental finds shall apply to the (UWCX) as well with one exception. At this level, a dog that disregards the handler’s recall from a flyaway and chases the flyaway out of the hunt area shall be judged very low for control and training and could be failed. As in real hunting scenarios, sometimes a bird may be hit, crippled and still able to wing out of “bounds”. In this event, the judges shall have latitude in judging if the dog charges after the bird and recovers it even after being recalled.

THE BLIND RETRIEVE shall mimic a hunt for downed game which neither the dog nor handler saw fall. While the dog and handler are shielded from field of view, a dead bird shall be planted in moderate cover, if available, in an area of approximately 50 yards square, that may be marked by ribbons. A shot shall be fired in the direction of the bird indicating a downed bird. Upon instruction from the judge, the handler and dog will proceed to the marked area at which time the handler will release the dog and instruct him to hunt the dead bird. The handler must not enter the marked area of the hunt. The handler may encourage the dog and if necessary redirect the dog back to the marked area using

## Upland Working Certificate Excellent –UWCX

whistle, voice or hand signals. The bird shall be delivered to hand. This exercise should take no longer than five minutes.

THE TRAILING TEST shall simulate trailing, finding and retrieving to hand a shot, crippled bird. The trail shall be 40-60 yards long with one distinct (90 degrees) change of direction. The dog shall not be allowed to observe the trail being laid. All efforts should be made by the judges to establish a trail that it is as similar as possible as they proceed from dog to dog.

To mimic the trail of a “cripple”, the bird shall be dead not alive. It shall be preferable to use a bird that has been shot dead but not handled by another dog as the presence of blood on the bird is a strong component of the scent. This is particularly true when using birds such as Chukkers which don’t seem to carry as much scent as pheasants, ducks or quail. Realizing that test birds are expensive, it may not be feasible to use a newly shot, non-slobbered on bird for each trail-but that is the ideal. The bird handler that lays the trail should wear rubber boots of a scent free nature if possible. The dead bird shall be dragged on a line which is tied to a stick or pole of 6-8 foot length and held at arm’s length from the person laying the trail. At the end of the drag the bird shall be left at a marked location.

It is important at this point that the person laying the trail exits the area of the bird in the exact same direction and manner as they return back to the line area. If there is a change in trail laying personnel, the judge shall take a moment to ensure that this is understood. Cover doesn’t have to be tall but of some density if available. It is desirable to be able to maintain visibility of the dog while he is in the test. When field conditions permit, the judges shall take into consideration the terrain and wind conditions affecting the trail. The goal is to establish a trail that doesn’t blow in the dog’s face. It is also preferable to avoid crossing streams or wet areas when laying the trail.

We want to see the dog exhibit the ability to “lock on” to scent, not have it “delivered” to his nose by the wind. On the perfect test ground, a new trail would be laid for each dog tested. However, that ideal does not have to be adhered to. Upland tests require a large tract of land for all the components of the test. If it isn’t feasible to lay a unique trail for each dog, the effort shall be made to maintain the mechanics of the test similar for each dog. We want each dog to experience the same sequence of test components and as much as possible the same length of time between test components. This is particularly true with respect to

## Upland Working Certificate Excellent –UWCX

the tracking component. If for some reason a trail is laid and the dog isn't able to begin the track in a timely manner, the trail shall be re-laid. At the starting point of the trailing test, an area of approximately two feet by two feet shall be thoroughly scented by scrubbing the ground with a dead bird. There shall also be a handful of pulled feathers scattered in the scented area. This area shall be re-scented between every 3-5 dogs.

To begin the test, a gunner shall fire a shot in the field in or along the trail and prior to the angle change to indicate a fresh kill. The gunner shall maintain visibility to the dog and handler. The handler and dog will proceed to the starting point established by the judges. The handler will instruct the dog to hunt. The handler may not enter the trail area. The handler may encourage the dog verbally but the use of whistles, hand signals or verbal handling such as "back" or "over" are not allowed. Although the handler is allowed minor position changes once the dog is in the field, the handler may not use body position to influence the dog. The handler is allowed to recall the dog back to the line one time for a restart or recast. Once the bird is found, the dog shall deliver it to the hand of the handler not the gunner.

This is a trailing test not a quartering test. Most dogs will work a trail in a back and forth manner across the trail sometimes circling tightly to pick the scent back up if lost. A dog that quarters widely as in flushing may not pass. The dog must maintain forward progress to the bird. Some dogs may scent and track with nose down, others with nose up. Either is acceptable as long as forward progress is maintained. Once the bird is delivered to the handler, the bird shall be removed from the line. No birds shall be stored or hung in the vicinity of the starting line.

## **Hunting Retriever Titles: What Do Those Letters Mean?**

Hunt Test titles can be earned through the AKC, UKC and NAHRA. Hunt Tests are non-Competitive tests in which the dog (and handler) is measured against a standard. If the dog (and handler) meet the standard, a "pass" is earned. The AKC, UKC and NAHRA Hunt Tests are designed to resemble actually hunting situations. Each organization has different requirements yet is equally difficult and resembles different hunting scenarios. Hunt Tests are the most popular field events. AKC titles are displayed behind the dog's name whereas, UKC and NAHRA titles are displayed before the dog's name.

### **American Kennel Club (AKC) Hunt Test Titles**

**JH = Junior Hunter:** In order to be recorded as a Junior Hunter, a dog must be registered in the AKC Stud Book, and must have a record of having acquired Qualifying scores in the Junior Hunting Test at four (4) AKC licensed or member club Hunting Tests. Upon completion of these requirements, an AKC Junior Hunter (JH) certificate will be issued to the owner, and the dog shall be identified as a Junior Hunter in all official AKC records by the suffix title JH. A dog that has been recorded as a Junior Hunter may continue to enter the Junior Hunting Test, but no further Junior Hunter certificates will be issued.

**JH = Senior Hunter:** In order to be recorded as a Senior Hunter, a dog must be registered in the AKC Stud Book, and must have a record of having acquired Qualifying scores in the Senior Hunting test at five (5) AKC licensed or member club Hunting Tests, or, in the case of a dog that has been recorded as a Junior Hunter, that dog will be recorded as a Senior Hunter after having acquired Qualifying scores in the Senior Hunting Test at four (4) AKC licensed or member club Hunting Tests. Upon completion of these requirements, an AKC Senior Hunter (SH) certificate will be issued to the owner, and the dog shall be identified as a Senior Hunter in all official AKC records by the suffix title SH, which title shall supersede the Junior Hunt requirements for a Junior Hunter have been completed.. A dog that has completed the requirements for Senior Hunter at AKC-licensed or member events is no longer eligible to compete in the Junior Hunting Test level.

*Note\* A dog that has been recorded as a Senior Hunter may continue to enter both Junior and Senior Hunting Tests, provided handlers are under age 18 at the beginning date of the test level entered but no further Junior or Senior certificates will be issued.*

**MH = Master Hunter:** In order to be recorded as a Master Hunter, a dog must be registered in the AKC Stud Book and must have a record

of having acquired a Qualifying score in the Master Hunting Test at six (6) AKC-licensed or member club Hunting Tests, or, in the case of a dog that has been recorded by AKC as a Senior Hunter, that dog will be recorded as a Master Hunter after having acquired Qualifying scores in the Master Hunting Test at five (5) AKC-licensed or member club Hunting Tests. Upon completion of these requirements, an AKC Master Hunter (MH) certificate will be issued to the owner and the dog will be identified as a Master Hunter in all official AKC records by the suffix title MH, which title shall supersede any AKC Hunting Test title that may have been previously earned. A dog that has been recorded as a Master Hunter may continue to enter the Master Hunting Test but no further Master Hunter certificates will be issued. A dog that has been recorded as a Master Hunter may continue to enter Junior, Senior, and Master Hunting Tests, provided handlers are under age 18 at the beginning of the test level entered, but no further Junior, Senior, or Master Hunter certificates will be issued. A dog is not required to earn any title as a prerequisite for earning a higher title. Dogs that have acquired a Qualifying Score in a Master Hunting Test at an AKC-licensed or member Hunting Test and have not completed the requirements for a Junior or Senior Hunter title are eligible to compete at the Junior or Senior Hunter level until the requirements for a Junior or Senior Hunter have been completed. A dog that has completed the requirements for Master Hunter at AKC-licensed or member events is no longer eligible to compete in the Junior or Senior Hunting Test level.

Source: Regulations & Guidelines for AKC Hunting Tests for Retrievers. June 1, 2005.

## **United Kennel Club (UKC) / Hunting Retriever Club (HRC) Hunt Test Titles**

**SHR** = Started Hunting Retriever: title is attained by earning four (4) passes in the Started category. Points/passes earned in a higher category do not count towards this title. A maximum of ten (10) Championship points can be earned in the Started category towards a higher degree. Once points are earned in a higher category, the retriever may not return to Started and earn the SHR title. Five (5) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Started Hunting Retriever tests.

**HR** = Hunting Retriever: title is attained by earning forty (40) Championship points. Points can be earned in Started, Seasoned or Finished. Dogs are not required to earn points in Started and/or Seasoned to earn this title. If only five (5) points are earned in the Started category, than forty (40) points may be earned in the Seasoned and/or Finished categories. If ten (10) points are earned in the Started category, then thirty (30) points may be earned in the Seasoned and/or Finished category. Ten (10) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Finished Hunting Retriever tests. Maximum of forty (40) Championship points towards a degree can be

earned in this category. Unless ten (10) Started Championship points were earned, then a maximum of thirty (30) Championship points can be earned toward a degree in this category.

**HRCH** = Hunting Retriever Champion: title is attained by earning one hundred (100) Championship points. Sixty (60) of the one hundred (100) points must be earned from the Finished category. Points can be earned in Started, Seasoned or Finished. Dogs are not required to earn points in Started and/or Seasoned to earn this title. A maximum of forty (40) points can be earned in the Seasoned category towards the Hunting Retriever Champion (HRCH) title, unless ten (10) Started Championship points were earned, then a maximum of thirty (30) Seasoned Championship points can be earned toward the HRCH degree. Fifteen (15) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Finished Hunting Retriever tests. Fifteen (15) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Finished Hunting Retriever tests.

**GHRCH** = Grand Hunting Retriever Champion: title is attained by earning two hundred (200) additional points in the Finished, Grand or Upland—forty (40) points max from Upland—categories after the HRCH title is earned for a total of three hundred (300) points. Eighty (80) of the additional two hundred (200) points, above the HRCH title, must be earned from passing two (2) Grand Hunts. Forty (40) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Grand Hunting Retriever tests.

**UH** = Upland Hunter: title is attained by earning forty (40) Upland Hunter Championship points. Upland points only count toward the Upland Hunter title and HRC's Point Club Recognition programs. Ten (10) Championship points per UKC Licensed Hunt are awarded for those dogs who pass all Upland Hunt tests. The Upland Hunt Test is a separated licensed event and not to be confused with an Upland test that may be included in a Seasoned or Finished test or the Upland series of the Grand Hunt.

Source: UKC/HRC Rules & Regulations, January 1, 2009

## **North American Hunting Retriever Association (NAHRA) Hunt Test Titles**

**SR** = Started Retriever : A dog receiving a Qualifying score in the Started testing category at a Licensed NAHRA Field Test shall be credited with two and one half (2.5) points toward the title Started Hunting Retriever (SR). The title Started Hunting Retriever (SR) will be issued to the owner of dog acquiring ten (10) points in the Started testing category at a Licensed NAHRA Hunting Retriever Field Tests.

**HR** = Hunting Retriever: A dog receiving a Qualifying score in the Hunter testing category at a Licensed NAHRA Field Test shall be credited with two and one half (2.5) points toward the title Hunting Retriever (HR). The title Hunting Retriever (HR) will be issued to the owner of a dog acquiring ten (10) ten points in the Hunter testing category at Licensed NAHRA Hunting Retriever Filed Tests.

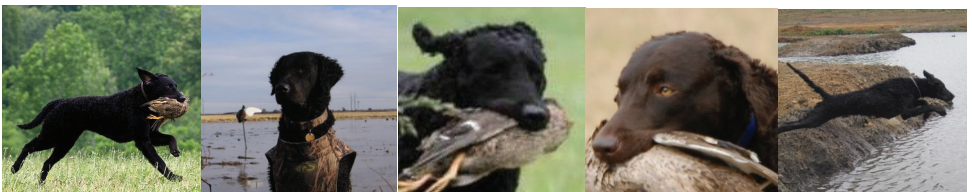

**WR** = Working Retriever : A dog receiving a Qualifying score in the Intermediate testing category at a Licensed NAHRA Field Test shall be credited with five (5) points toward the title Working Retriever (WR). The title Working Retriever (WR) will be issued to the owner of a dog acquiring ten (200) ten points in the Intermediate Hunter testing category at Licensed NAHRA Hunting Retriever Filed Tests.

**MHR** = Master Hunting Retriever : A dog receiving a Qualifying score in the Senior testing category at a Licensed NAHRA Field Test shall be credited with twenty (20) points toward the title Master Hunting Retriever (MHR). Dogs that have acquired points in the Senior testing category at Licensed NAHRA Hunting Retriever Field Tests may continue to enter either the Started or Intermediated testing categories. The title Master Hunting Retriever (MHR) will be issued to the owner of a dog acquiring at least one hundred (100) points in Licensed NAHRA Hunting Retriever Filed Tests in the Senior testing category or have accumulated twenty (20) Intermediate points and eighty (80) Senior points in Licensed NAHRA Hunting Retriever Field Tests.

**GMHR** = Grand Master Hunting Retriever : A Master Hunting Retriever that goes on to accumulate 300 or more points in the Senior testing category at Licensed NAHRA Hunting Retriever Field Tests will be recorded as a Grand Master Hunting Retriever.

**GMHRCH** = Grand Master Hunting Retriever Champion: A Master Hunting Retriever that goes on to accumulate 1000 or more points in the Senior testing category at Licensed NAHRA Hunting Retriever Field Tests will be recorded as a Grand Master Hunting Retriever champion.

# NOTES

# SUPER SINGLES

## Super Singles Rules

### 2022 Super Singles CCRCA National Specialty Oshkosh, WI May 16<sup>th</sup> 2022

Super Singles is offered as a friendly marking competition. It will be run similar to a Retriever Field Trial with each dog running the first series. Call backs will determine who runs in the subsequent series. The event consists of single marked retrieves of increasing difficulty, on land, using dead birds. The Judges will determine 1<sup>st</sup> through 4<sup>th</sup> place on the basis of **Marking Ability**. Other finalists shall be awarded a JAM "Judges Award of Merit."

- Two levels will be offered, Steady and Unsteady.
- One dog can only be entered in one level.
- Handlers can run multiple dogs in each level.
- Marks should be clearly visible throws.
- Marks shall not exceed 200 yards.
- A test dog shall be used for each test/series.
- Decoys may be used.
- Gunners shall wear white jackets or shirts.
- Gunners shall precede each throw with a gun shot.
- Gunners shall not use any bird calls.
- Gunners may use wingers to ensure consistency of marks.
- Handlers may wear light or dark clothing

#### **Unsteady Singles Specific Rules:**

*This level is open to any age of Curly-Coated Retriever. Curlies are not eligible if they have earned a WCX or higher, or any leg towards a title that is higher than the entry level of that entity (Higher than AKC Junior, or HRC Started)*

- Dogs may be brought to the line on lead, and should be under the control of the handler.
- Dogs may run wearing a flat buckle collar, without tags or other attachments.
- Dogs may be held gently on line, by the collar or with a line slipped through the collar or D-ring of the collar.
- Dogs shall not be sent for a bird until released by the judges.
- Dogs need not deliver to hand, but must return the bird to an area designated by the judges.

## Super Singles Rules

### Steady Singles Specific Rules:

*Steady Singles is open to any age Curly-Coated Retriever. Dogs can be titled in any level or venue. • Dogs must come to the line, and leave the line, off-lead and without a collar*

- *Dogs must be steady. Breaks or controlled breaks shall result in mandatory disqualification.*

If a dog creeps or jumps forward as the birds are thrown, the judges may require the dog to be brought back to heel position before releasing the dog to retrieve.

- Dogs shall not be sent for a bird until released by the judges.
- Dogs must deliver each bird to hand.

### Mandatory Failures:

1. Handler releasing the dog to retrieve before the judges signal to do so.
2. "Breaking," i.e. dog leaves the line to retrieve before being released by the judge
3. Handler noisily or harshly restraining a dog from breaking. Specifically from the time the handler has signaled the judge that they are ready for the mark to be thrown, until the judge signals the handler to send the dog.
4. Loud or prolonged barking or whining in the holding blind or at the line.
5. Dog refusing to leave the line when sent (one recast is allowed, in a case of confusion).
6. Dog returning to the handler without the bird, except when the dog is obviously confused as to whether it was sent to retrieve.
7. Dog stopping the hunt, or requiring assistance from Handler or Gunners; using a signal, a vocal command, or throwing anything to direct the dog to a fall.
8. Dog giving up after a search for one bird and going to the area of a previously fallen bird, i.e. "returning to an old fall."
9. Dog ignoring a bird when found and leaving it, "blinking the bird."
10. Dog badly damaging the bird, "hard mouth".
11. Dog unwilling to release a bird on delivery.
12. Handler allowing a competing dog to watch the location of a fall for another dog before its turn to run. This will be a mandatory elimination of the dog, and possibly an elimination of the handler from the test if the judges or event committee believe the violation is deliberate.

# AGILITY

# Welcome to the 2022 CCRCA Agility Events

## Curly-Coated Retriever Club of America 2022 National Specialty AGILITY

Wednesday, May 18th, 2022

### Location:

Oshkosh Kennel Club  
220 W Packer Avenue, Oshkosh WI 54901  
[www.oshkoshkennelclub.com](http://www.oshkoshkennelclub.com)

### Judge:

**Sionag Black**, - Beaver Dam, WI

### Trial Secretary:

Lorah Marquardt, CCRCA Secretary  
1124 W. River Drive, Stevens Point, WI 54481  
Questions Call: (715) 342-0679  
Or Email (preferred): [bluestemK9@att.net](mailto:bluestemK9@att.net)  
Website: [www.BluestemAgility.com](http://www.BluestemAgility.com)

### EVENT COMMITTEE

**Event Chair: Andy Ayers, 510 W Harrison St, Maumee OH 43537, 419-891-9267, Treasurer@CCRCA.org**

**Members:**, Aubrey LaCrosse, Maureen Thompson, Dena Bream, and any other CCRCA member as needed.

### DIRECTIONS TO TRIAL SITE:

Hwy 41 to Hwy 76/Jackson St (Exit 124). Exit towards Oshkosh, go through 2 sets of stoplights and cross the railroad tracks. Take the next left turn onto Packer Ave. OKC clubhouse is on the left side of the street.

*Due to space restrictions, no RV's may be parked in either of Oshkosh Kennel Club's lots, with the exception of prearranged CCRCA vehicles. Street parking is allowed on the SOUTH side only of Packer Avenue, but no parking is allowed on the Lynn's Auto property.*

# 2022 Agility Information

## AGILITY

Running a dog in an agility trial is the ultimate game for you and your dog and is one of the most exciting canine sports for spectators. In an agility trial, a dog demonstrates its agile nature and versatility by following cues from the handler through a timed obstacle course of jumps, tunnels, weave poles and other objects. It's an activity that strengthens the bond between dog and handler and provides fun and exercise for both, which might explain why it's so enjoyable to watch and has become the fastest-growing dog sport in the United States!

**Agility** – In Agility, dogs race against a clock as they navigate an obstacle course. Dogs and owners strive to improve their speed and teamwork. Agility is a fun, energizing sport that provides healthy exercise for dogs and a rewarding experience for owners. (<https://www.akc.org/sports/companion/>)

### Types of Classes

There are several types of classes offered at an agility trial: Standard, Jumpers with Weaves, Fifteen And Send Time (FAST), Time2Beat, Premier and International Sweepstakes.

The **Standard** class has contact obstacles, which have yellow “contact zones” at each end. Contact obstacles include A-frame, dog walk and seesaw. The dog must place a least one paw in the contact zone in order not to receive a fault. This encourages safety in training and in running the course. The Standard class also has a variety of jumps; weave poles, pause table, tunnels and a closed tunnel.

The **Jumpers with Weaves** class does not have contact obstacles or a pause table to slow the team's forward momentum. This is a very fast course requiring instant decisions by the handler and close attention from the dog.

The **FAST** class is an additional test of strategy, skill, accuracy, speed, timing and distance handling to demonstrate a dog's athletic ability and willingness to work with its handler in a fast-paced atmosphere over a variety of agility obstacles. As indicated by the title, the Fifteen and Send Time class uses fifteen (15) point-valued obstacles and/or obstacle combinations. The course will include a ‘Send Bonus’ or distance element that will award a bonus of twenty (20) points if completed successfully.

The **Premier** class is an optional titling class. These optional titling classes are designed to challenge dogs and handlers at an increased speed and skill level

above those set for the Master level classes. Handlers/dogs will need to negotiate courses that require varied approach angles, spacing, and obstacle discriminations to be successful in these classes. These classes are offered as separate titling tracks and are not part of the MACH/PACH Championships. Premier may be offered once per day as an additional class or classes. Clubs may, but are not required to offer Premier Standard and Premier Jumpers with Weaves on the same day.

**Time 2 Beat (T2B)** This optional agility titling class is meant to challenge the handler/dog to set a clean efficient line with an emphasis on speed and accuracy. The dog that sets the quickest time in each jump height will set the time to beat for that jump height. There will be a single class level and all dogs with any skill level (e.g. Novice, Open, Excellent, Master) will compete on the same course. The class (Regular & Preferred) may be offered once per day as an additional class at a club's option. This will aid clubs to add an additional class to the day without making multiple course changes that add time to the day. Section 2. Definition. The Time 2 Beat (T2B) class is a combination course from the Standard and Jumpers With Weaves classes. While dogs of any skill level (e.g. Novice, Open, Excellent, Master) are allowed to compete in T2B, to be successful dogs will need to demonstrate athletic ability and an advanced skill level.

### **Levels of Difficulty**

There are different levels of competition in agility: Novice, Open, Master and Excellent.

The **Novice** class is for the dog that is just starting in agility. There are 14 to 16 obstacles on this course. The focus of the Novice class is on performing the obstacles with minimal handling technique.

The **Open** class is for the dog that has completed the Novice level. There are 16 to 18 obstacles on this course. The focus of the open class is on more difficult obstacle course performance with more handling skill required.

The **Master and Excellent** class is for the dog that has completed the Open level. There are 18 to 20 obstacles on this course. The focus of the Excellent A & B class is to provide the opportunity for dogs and handlers to demonstrate their superior skills in moving quickly and efficiently with close communication and teamwork through challenging agility courses. The Master level is the

class where dog/handler teams can earn the title, Master Agility Champion (MACH), in the Regular Classes.

### **How is Agility Scored?**

Agility is a time and fault sport where the qualifying requirements are more challenging as the competition class levels get higher. There are two types of faults: time and penalty. Time faults are given for every second a dog goes over the Standard Course Time as set by the length of the course.

Examples of Penalty Faults that a judge may assess a handler and dog:

- Taking an obstacle out of sequence
- Missing a contact zone
- Displacing a bar or panel on a jump
- Jumping off the pause table before the judge is through counting
- Running around or refusing the next obstacle
- Exceeding the amount of time set by the judge for running the course
- Touching either the dog or any obstacle by the handler while running the course
- Outside assistance may be penalized
- Handler failure to control the dog may be penalized

### **Agility Jump Heights**

The classes are divided by jump heights in order to make the competition equal between the different sizes of dogs. A dog may jump in a jump height class higher than his/her shoulder measurement, but never lower.

Smaller dog heights removed to save space.

20" Class – dogs over 18" and up to 22" at the shoulder

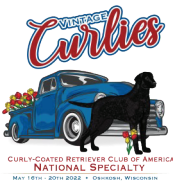

24" Class – dogs over 22" at the shoulder

24C" Class – dogs may be entered at this height at their owner's discretion.

### **Qualifying Performance**

A perfect score in any class at any level is 100. A dog must earn 3 qualifying scores under two different judges. The minimum score to qualify is 85 in all classes except in the Excellent/Masters class where the minimum score is 100. The minimum time allowed to run the course and the number of obstacles to complete successfully, increase as the level of difficulty increases.

## OBEDIENCE

### Tips for the First-time Spectator

- ◇ However tempting, do not pet a dog without first asking for and receiving permission.
- ◇ Many obedience trials have vendors and an information booth with helpful information for the general public. Browse, gather information and ask questions.
- ◇ Arrive early, and bring a chair! Obedience often starts very early in the morning.
- ◇ If you have not as yet purchased your dog, speak to exhibitors about their breeds to gain knowledge of the best dog for your family. Also visit the "[Buying a Puppy](#)" section of the AKC website.
- ◇ If you bring a baby stroller to an obedience trial, be careful not to run over any dog's tail. Be sure your child respects the dogs and does not grab or poke at them. Due to space requirements some trials do not allow baby strollers.

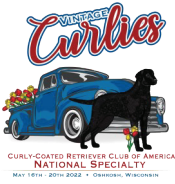

### Qualifying Score

A dog receives a qualifying score when it earns more than 50 percent of the points for each exercise, with a total of at least 170 points. A perfect score in any class is 200.

### AKC OBEDIENCE TITLES

[Obedience](#) – Developed in the 1930s, Obedience is one of the AKC's oldest sporting events. The objective is to train your dog to be well-behaved at home or in public places. Whether you are walking on- or off-leash or retrieving and jumping, obedience demonstrates the teamwork between you and your dog. (<https://www.akc.org/sports/companion/>)

### **Judges**

Ronda Bermke\* (94073).....Greenleaf, WI 54126  
*Rally (provisional)*

## What is Rally?

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. The judge tells the handler to begin, and the dog and handler proceed at their own pace through a course of designated stations (10 - 20, depending on the level). Each of these stations has a sign providing instructions regarding the next skill that is to be performed. Scoring is not as rigorous as traditional obedience.

The team of dog and handler moves continuously at a brisk, but normal, pace with the dog under control at the handler's left side. There should be a sense of teamwork between the dog and handler both during the numbered exercises and between the exercise signs; however, perfect "heel position" is not required. Any faults in traditional obedience that would be evaluated and scored as a one-point deduction or more should be scored the same in Rally, unless otherwise mentioned in the Rally Regulations. After the judge's "Forward" order, the team is on its own to complete the entire sequence of numbered signs correctly.

Unlimited communication from the handler to the dog is to be encouraged and not penalized. Unless otherwise specified in these Regulations, handlers are permitted to talk, praise, encourage, clap their hands, pat their legs, or use any verbal means of encouragement. Multiple commands and/or signals using one or both arms and hands are allowed. The handler may not touch the dog or make physical corrections. At any time during the performance, loud or harsh commands or intimidating signals will be penalized.

Rally provides a link from the Canine Good Citizen® (CGC) program to obedience or agility competition, both for dogs and handlers. In addition, rally promotes fun and enjoyment for dogs at all levels of competition.

Qualifying Performance A qualifying performance indicates that the dog has performed the required exercises according to the AKC Rally Regulations. Each performance is timed, but times are only counted if two dogs earn the same score. All dogs and handlers begin with a perfect 100. A dog and handler team is awarded a qualifying score if it retains at least 70 points after the course has been completed. Once the team has completed the course, their score will be posted ringside. ## **CURLY-COATED RETRIEVER BREED STANDARD**

### **General Appearance**

This smartly upstanding, multi-purpose hunting retriever is recognized by most canine historians as one of the oldest of the retrieving breeds. Developed in England, the Curly was long a favorite of English gamekeepers. Prized for innate field ability, courage and indomitable perseverance, a correctly built and tempered Curly will work as long as there is work to be done, retrieving both fur and feather in the heaviest of cover and the iciest of waters. To work all day a Curly must be balanced and sound, strong and robust, and quick and agile. Outline, carriage and attitude all combine for a grace and elegance somewhat uncommon among the other retriever breeds, providing the unique, upstanding quality desired in the breed. In outline, the Curly is moderately angulated front and rear and, when comparing height to length, gives the impression of being higher on leg than the other retriever breeds. In carriage, the Curly is an erect, alert, self-confident dog. In motion, all parts blend into a smooth, powerful, harmonious symmetry. The coat, a hallmark of the breed, is of great importance for all curlies, whether companion, hunting or show dogs. The perfect coat is a dense mass of small, tight, distinct, crisp curls. The Curly is wickedly smart and highly trainable and, as such, is cherished as much for his role as loyal companion at home as he is in the field.

### **Size, Proportion, Substance**

Ideal height at withers: dogs, 25 to 27 inches; bitches, 23 to 25 inches. A clearly superior Curly falling outside of this range should not be penalized because of size. The body proportions are slightly off square, meaning that the dog is slightly longer from prosternum to buttocks as he is from withers to ground. The Curly is both sturdy and elegant. The degree of substance is sufficient to ensure strength and endurance without sacrificing grace. Bone and substance are neither spindly nor massive and should be in proportion with weight and height and balanced throughout.

## **Head**

The head is a longer-than-wide wedge, readily distinguishable from that of all other retriever breeds, and of a size in balance with the body. Length of foreface is equal, or nearly equal, to length of backskull and, when viewed in profile, the planes are parallel. The stop is shallow and sloping. At the point of joining, the width of foreface may be slightly less than the width of the backskull but blending of the two should be smooth. The head has a nearly straight, continuous taper to the nose and is clean cut, not coarse, blocky or cheeky. Expression-- Intelligent and alert. Eyes--Almond-shaped, rather large but not too prominent. Black or brown in black dogs and brown or amber in liver dogs. Harsh yellow eyes and loose haws are undesirable. Ears-- Rather small, set on a line slightly above the corner of the eye, and lying close to the head. Backskull--Flat or nearly flat. Foreface--Muzzle is wedge-shaped with no hint of snipiness. The taper ends mildly, neither acutely pointed nor bluntly squared-off but rather slightly rounding at the bottom. Mouth is level and never wry. Jaws are long and strong. A scissors bite is preferred. Teeth set straight and even. The lips are tight and clean, not pendulous. The nose is fully pigmented; black on black dogs, brown on liver dogs. Nostrils are large.

## **Neck, Topline, Body**

Neck--Strong and slightly arched, of medium length, free from throatiness and flowing freely into moderately laid-back shoulders. Backline--The back, that portion of the body from the rear point of the withers to the beginning of the loin, is strong and level. The loin, that part of the body extending from the end of the rib cage to the start of the pelvis, is short and muscular. The croup, that portion of the body from the start of the pelvis to the tail set-on, is only slightly sloping. Body--Chest is decidedly deep and not too wide, oval in cross-section, with brisket reaching elbow. While the impression of the chest should be of depth not width, the chest is not pinched or narrow. The ribs are well-sprung, neither barrel-shaped nor slab-sided, and extend well back into a deep, powerful loin with a moderate tuck-up of flank. Tail--Carried straight or fairly straight, never docked, and reaching approximately to the hock. Never curled over the back and should not be kinked or crooked. Covered with curls and, if trimmed, tapering toward the point.

## **Forequarters**

Shoulder blades are very long, well covered with muscle, and are moderately laid back at about a 55 degree angle. The width between shoulder blades is adequate to allow enough flexibility to easily retrieve game. Upper arm bones are about equal in length with shoulder blades and laid back at approximately the same angle as the blades, meaning the forelegs are set under the withers. The equal length of shoulder blade and upper arm bone and the balanced angulation between the two allows for good extension of the front legs. The forelegs are straight with strong, true pasterns. Feet are round and compact, with well-arched toes and thick pads. Front dewclaws are generally removed.

## **Hindquarters**

Strong and in balance with front angulation. Thighs are powerful with muscling carrying well down into the second thigh. Stifle is of moderate bend. The hocks are strong and true, turning neither in nor out, with hock joint well let down. Rear dewclaws are generally removed.

## **Coat**

The coat is a distinguishing characteristic and quite different from that of any other breed. The body coat is a thick mass of small, tight, crisp curls, lying close to the skin, resilient, water resistant, and of sufficient density to provide protection against weather, water and punishing cover. Curls also extend up the entire neck to the occiput, down the thigh and back leg to at least the hock, and over the entire tail. Elsewhere, the coat is short, smooth and straight, including on the forehead, face, front of forelegs, and feet. A patch of uncurled hair behind the withers or bald patches anywhere on the body, including bald strips down the back of the legs or a triangular bald patch on the throat, should be severely penalized. A looser, more open curl is acceptable on the ears. Sparse, silky, fuzzy or very harsh, dry or brittle hair is a fault. Trimming--Feathering may be trimmed from the ears, belly, backs of forelegs, thighs, pasterns, hocks, and feet. On the tail, feathering should be removed. Short trimming of the coat on the ear is permitted but shearing of the body coat is undesirable.

## **Color**

Black or liver. Either color is correct. A prominent white patch is undesirable but a few white hairs are allowable in an otherwise good dog.

## **Gait**

The dual function of the Curly as both waterfowl retriever and upland game hunter demands a dog who moves with strength and power yet is quick and agile. The ground-covering stride is a well-coordinated melding of grace and power, neither mincing nor lumbering. The seemingly effortless trot is efficient and balanced front to rear. When viewed from the side, the reach in front and rear is free-flowing, not stilted or hackneyed. When viewed from the front or rear, movement is true: the front legs turn neither in nor out and the rear legs do not cross. Well-developed, muscular thighs and strong hocks do their full share of work, contributing to rear thrust and drive. The extension in front is strong and smooth and in balance with rear action. Balance in structure translates to balance in movement and is of great importance to ensure soundness and endurance; extremes of angulation and gait are not desirable.

## **Temperament**

Self-confident, steadfast and proud, this active, intelligent dog is a charming and gentle family companion and a determined, durable hunter. The Curly is alert, biddable and responsive to family and friends, whether at home or in the field. Of independent nature and discerning intelligence, a Curly sometimes appears aloof or self-willed, and, as such, is often less demonstrative, particularly toward strangers, than the other retriever breeds. The Curlys independence and poise should not be confused with shyness or a lack of willingness to please. In the show ring, a correctly-tempered Curly will steadily stand his ground, submit easily to examination, and might or might not wag his tail when doing so. In the field, the Curly is eager, persistent and inherently courageous. At home, he is calm and affectionate. Shyness is a fault and any dog who shies away from show ring examination should be penalized. Minor allowances can be made for puppies who misbehave in the show ring due to over exuberance or lack of training or experience.

GCH	<p>Grand Champion: Completion of the title requires all of the following:</p> <ul style="list-style-type: none"> <li>• Twenty five Grand Championship points</li> <li>• Three majors won under three different judges</li> <li>• At least one or more points won under a fourth judge</li> <li>• Must have defeated at least one other AKC Champion of Record at three shows</li> </ul> <p>Earning the GCH title</p>
CCHB	<p>Grand Champion Bronze: Any Grand Champion which shall have won 100 Grand Championship points shall become a Grand Champion Bronze (GCHB).</p>
GCHS	<p>Grand Champion Silver: Any Grand Champion which shall have won 200 Grand Championship points shall become a Grand Champion Silver (GCHS)</p>
GCHG	<p>Grand Champion Gold: Any Grand Champion which shall have won 400 Grand Championship points shall become a Grand Champion Gold (GCHG).</p>
GCHP	<p>Grand Champion Platinum: Any Grand Champion which shall have won 800 Grand Championship points shall become a Grand Champion Platinum (GCHP). After earning Grand Champion Platinum title, for each additional 800 Grand Championship points earned the Grand Champion Platinum title initials will be followed by a numeric designation indicating the quantity of times the dog has met the requirements of the Grand Champion Platinum title as defined above, e.g., 1,600 Grand Championship points = GCHP2.</p>

**American Kennel Club**  
**NATIONAL OWNER HANDLED SERIES (NOHS)**  
**Points Ranking for Curly-Coated Retriever**  
**Lifetime Top 25**

(Events are processed Thru :April 7, 2022  
[https://www.apps.akc.org/apps/ohs/points\\_ranking/index.cfm](https://www.apps.akc.org/apps/ohs/points_ranking/index.cfm))

The purpose of the AKC National Owner-Handled Series (NOHS) is to recognize and showcase the quality dogs being exhibited by owner/handlers and to provide a venue for the owner/handlers to compete against their peers. The determination of the awards in the AKC National Owner-Handled Series is based solely on the quality of the entry. The owner/handler's handling ability is not of consideration.

# Curly Life Rules

If curlyes could teach us we would learn things such as:

- when loved ones come home, always run to greet them
- never pass up the opportunity to go for a joyride
- allow the experience of fresh air and the wind in your face to be pure ecstasy
- when it's in your best interest - practice obedience
- let others know when they have invaded your territory
- take naps and stretch before rising
- run, romp and play daily
- thrive on attention and let people touch you
- avoid biting, when a simple growl will do
- on warm days, stop to lie on your back on the grass
- on hot days, drink lots of water and lay under a shady tree
- when you are happy, dance and wag your entire body
- no matter how often you are scolded, don't buy into the guilt thing and pout...run right back and make friends
- delight in the simple joy of a long walk
- eat with gusto and enthusiasm. Stop when you have had enough
- be loyal
- never pretend to be something you are not
- if what you want lies buried, dig until you find it
- when someone is having a bad day, be silent, sit close by and nuzzle them gently

Applying the above lessons to your life should make it a little less RUFF!

## NOTES

# HOF

Hall of Fame

## Hall of Fame Eligibility Requirements

### **Titles**

1. Must have finished an AKC Championship
2. Must have a CCRCA WC, AKC JH, or NAHRA SR, or have placed or JAM'd an AKC licensed field trial.
3. Must have a CD from the US, Canada, or Mexico

### **Produce**

Must have accumulated at least **20** but no more than **50** points from titled offspring, per the ROM scale. Plus points can be earned when offspring have Group wins, High in Trials or field trial placements/Jams - 10 points per dog, in addition to above points. No more than **70** points total from produce.

An application must be made to the receive the honor. Contact the CCRCA Records Committee Chair for more information.

### **The dog can personally accumulate points based on the following:**

#### **Conformation Points**

Championship	10 points
Group wins	
Group placements	5 each up to 15 points total
Best in Show	10 points one time total
Best of Breed at a Specialty	10 points

The dog can therefore win up to 45 points based on its show career.

#### **Field Points**

WC	5 points
WCX	10 points

# HOF

## Hall of Fame

WCQ	15 points
AKC JH, or NAHRA SR	5 points
AKC SH, or NAHRA WR	10 points
AKC MH, or NAHRA MHR	15 each
Licensed field trial placement, or JAM	15 each 30 points maximum

The dog can therefore win up to 90 points based on its field career.

### **Obedience Points**

CD	5 points
CDX	5 points
UD	10 points
TD	5 points
TDX	5 points
OTCh	15 points
Win or placement in class	5 points each up to 15 total
High in Trial, or High Combined	10 points each, up to 20 total

The dog can therefore win up to 80 points based on its obedience career.

### **Total Points Required**

**Male 100 pts.**  
**Female 80 pts.**

There must be points from each of the four areas, though petitions for dogs who have been unable to fulfill all areas but have had outstanding careers will be considered by the Board.

Inclusion in the Hall of Fame is automatic and owners of eligible dogs will receive a verification form when their dog is eligible. All dogs achieving the Hall of Fame will have a picture and write up in the Curly Commentator and the owners will receive a small plaque.

Rules for the Tempest Memorial Best In Specialty Show Trophy

**I. Nature of the Award**

1. A rotating trophy, the CCRCA Tempest Memorial Trophy shall be awarded to the Curly-Coated Retriever who wins Best in Specialty Show (BISS) at the CCRCA National Specialty.
2. The trophy will be awarded at the annual CCRCA National Specialty.
3. The trophy was commissioned by private donors as a memorial to Am/Can/UKC Ch Ptarmigan Gale at Riverwatch WC,CD,CGC,TT,TDI,ROMX,HOF (1991-2003) - five time BISS winner and seven time Westminster Best of Breed winner.
4. The trophy consists of a life-sized coldcast bronze bust of Tempest mounted on a fine wood base. A certificate is also awarded.

**II. Eligibility**

1. Any Curly-Coated Retriever registered with the American Kennel Club shall be eligible for this trophy.
2. An animal is eligible to repeat as winner.

### III. Responsibilities of the Rotating Trophies Committee

1. The Rotating Trophies committee shall arrange for getting the trophy engraved and shipped to the winner each year. IV. Ownership 1. The trophy is owned by the CCRCA.
2. The trophy must be returned to the CCRCA Rotating Trophy Chairman in good condition four weeks prior to the CCRCA National Specialty.
3. A non-CCRCA member may not take possession, but would receive the certificate.

Curly –Coated Retriever Club of America  
Best Bred-By Exhibitor Trophy**

**2021 Pizzazz Avanti Double Down.**  
**Breeder/(s)Owner(s): Iris Andre/Leslie Puppo Rogers.**

**Nature of the Award**

1. A rotating trophy, the CCRCA Best Bred-By Exhibitor Trophy shall be awarded to the Curly-Coated Retriever who wins Best Bred-By Exhibitor at the CCRCA National Specialty.

2. The trophy will be awarded at the annual CCRCA National Specialty. The trophy was sponsored and commissioned by Kari Swarztrauber in memory of “Madge”, Tephra Amulet of Summerwind,

*“Madge was the first CCR I bred under the Tephra name. At her first National Specialty, she won the Bred by Exhibitor class. She was best known for her perpetually thick Curly-coat that never lapsed even after the birth of a large litter, as well as for her elegant head and great substance. She was the finest brood bitch and she had a total of 36 healthy pups in three litters. So impressive was her health and vitality that I thought she would live forever, but she died suddenly at the age of five from GDV or bloat.”*

**Requirements**

1. Any Curly-Coated Retriever registered with the American Kennel Club shall be eligible for this trophy.

2. An animal is eligible to repeat as winner.

3. If a CCRCA member, the winner will take possession of the trophy at the annual CCRCA Specialty Banquet and will return the trophy in good condition at the winner’s expense to the Rotating Trophy chairperson approximately 6 weeks before the next specialty.

**Responsibilities of the Rotating Trophies Committee**

1. The trophy is owned by the CCRCA.

A non-CCRCA member may not take possession of the trophy, but the dog’s name will be engraved on the placard.

### Agility Trophy Rules

#### Nature of the Award

1. The CCRCA Agility trophy shall be awarded to the Curly-Coated Retriever that receives the most points from qualifying runs and placements from recognized agility events (see section 4, Event Description) in the previous year.
2. The trophy will be awarded at the annual specialty of the CCRCA.

#### Eligibility

1. Any curly coated retriever belonging to any full or non-voting CCRCA member is eligible to win this prize..
2. A curly coated retriever is eligible to repeat as a winner, but only accomplishments in the appropriate calendar year shall be used to determine each year's winner.

## Points

1. The Curly-Coated Retriever earning the highest number of points during the calendar year will be the winner. Points will be awarded according to the following schedule:

Event Description	Points
AKC Novice Regular (NA) and JWW (NAJ) Qualifying legs (maximum 6)	8 (per leg)
AKC Open Regular (OA) and JWW (OAJ) Qualifying legs (maximum 6)	16 “
AKC Excellent Regular (AX) and JWW (AXJ) Qualifying legs (no maximum)	24 “
AKC Master Regular (MX) and JWW (MXJ) Qualifying legs (no maximum)	24 “
CKC Novice Qualifying legs (maximum 6)	8 “
CKC Intermediate Qualifying legs (maximum 6)	16 “
CKC Excellent Qualifying legs (no maximum)	24 “
CKC Master Qualifying legs (no maximum)	24 “
First place in class	8
Second place in class	6
Third place in class	4
Fourth place in class	2
Each AKC MACH point	1

(Points for class placement are the same at all levels.)

For a preferred run in AKC agility trials, count ½ the number of assigned points for the corresponding normal run and/or placement. There is no preferred class in the CKC. (Preferred legs/titles have a P after the letters, such as NAP.)

1. Points will be assembled from the official AKC and CKC records by the Agility Trophy Chairperson or a record keeper to be designated by the CCRCA. CCRCA members may also submit their dog's agility accomplishments to the Agility Trophy Chairperson or a designated record keeper for consideration. The Chair shall seek to verify all reported accomplishments and in doing so may ask the owner for evidence verifying the reported accomplishments.

### Ownership

1. The trophy is owned by the CCRCA.
2. The trophy must be returned to the CCRCA trophy chairperson in good condition at least 4 weeks prior to the CCRCA specialty.
3. A keeper trophy will be given to the owner of the winning curly coated retriever.

3.22.2016 Sheila Callahan-Young

### OBEDIENCE

The winner will be determined by the highest average score for the year. This trophy will remain the property of the CCRCA, but will be “lent” to that year’s winner, provided he/she is a CCRCA member

#### Nature of the Award

1. CCRCA Award For Outstanding Achievement in AKC Obedience Competition shall be the highest number of points earned from the Points Schedule in a given calendar year, with no less than three (3) qualifying scores awarded to the Curly-Coated Retriever having any placement of First through Fourth.
2. The award consists of a plaque with a certificate given to the owner of the winning dog.
3. The Plaque will have engraved plates attached with the winning dog and owner’s name and displayed at the CCRCA National Specialty. The certificate is to be presented to the owner at the National Specialty Awards Ceremony. In the event that the owner does not attend, the Plaque and certificate will be mailed at the CCRCA’s expense.
4. In the event of a tie, the highest Obedience level will take precedence of the lower levels.

## Eligibility

1. Any Curly-Coated Retriever registered with the American Kennel Club shall be eligible for the award, provided the owner is a member in good standing with the CCRCA and AKC.
2. An animal is eligible to repeat as winner.

## Nomination

1. Any person may nominate a dog for the award by submitting a list of achievements with verifiable evidence to the Records Chair by January 31.
2. The Records Chair shall announce a call for nominations in the September/October issue of the "Curly Commentator" and any other method that will call attention to the award.
3. The Records Chair, President and Vice-President together will make the final determination of the winner based on the Point Schedule.
4. The Records Chair shall forward the name of the winner and it's owner's name to the Corresponding Secretary of the CCRCA and to the Rotating Trophy Chair by March 1. If the Nations Specialty shall be scheduled before March 15, earlier notification shall be given.

## Ownership

1. The Curly-Coated Retriever Club of America, Inc owns the Plaque.
2. A non-CCRCA member may not take possession in the event the dog is co-owned.
3. The Plaque must be returned at the winners expense to the CCRCA Rotating Trophy Chair in good condition five weeks prior to the CCRCA National Specialty

## **CCRCA Obedience Trophy Obedience Award Rules**

### **Nature of the Award**

1. The CCRCA Obedience Trophy shall be awarded to the Curly-Coated Retriever who has the highest average obedience score in a given year, with no less than three scores.
2. The trophy will be awarded at the annual Specialty of the CCRCA.

### **Eligibility**

1. Any Curly-Coated Retriever registered with the American Kennel Club, Canadian Kennel Club, United Kennel Club, or other generally recognized national registry in the United States shall be eligible for the trophy provided the owner is a member of the CCRCA.
2. An animal is eligible to repeat as winner.
3. Responsibilities of the Rotating Trophies CommitteeThe Rotating Trophies committee shall seek to verify all reported accomplishments, and in doing so, may ask the owner or any others deemed appropriate for evidence verifying the reported accomplishments.
4. The committee chair shall forward all information acquired to the secretary of the CCRCA and to the person in charge of the Club's awards by March 1. If the specialty shall be scheduled before March 15, earlier notification shall be given.

### **Ownership**

1. The trophy is owned by the CCRCA.
2. The trophy must be returned to the CCRCA Trophy Chairman in good condition four weeks prior to the CCRCA Specialty to allow time for engraving.
3. A non-CCRCA member may not take possession.

**CAROLINE STEWART MEMORIAL OBEDIENCE TROPHY**

A perpetual trophy owned by the CCRCA and "lent" to the current winner, who has to be a member of the CCRCA.

This trophy will be awarded to the highest average scoring Novice (A or B) obedience competitor for calendar year.

This trophy is a wooden trophy with metal plaques.

Offered by: Kelly Clark & Kathy Shifflett.

**Caroline Stewart Memorial Novice Obedience Trophy**

Award Requirements

1. Awarded yearly if eligibility is met.
2. Eligible year is January 1 through December 31.
3. Third leg and title must be received within the eligible year.
4. To be awarded to the Curly-Coated Retriever that earns its American Kennel Club Novice A or Novice B title with the highest average score.
5. In case of a tie, the dog with the highest single score will win.
6. The owner must be a member in good standing of the CCRCA.

**CCRCA TOP PERFORMER IN RALLY OBEDIENCE TROPHY**

**I. Nature of the Award**

A rotating commemorative trophy, the CCRCA Top Performer in Rally Obedience Trophy shall be awarded annually at the National Specialty to honor the top performing Curly-Coated Retriever in AKC Rally Obedience.

In Memory of "Qwik" HRCH UH GRACH U-CD CH Sun Devil Seas Blazin' For Shore VCD2 UDX OM2 GN GO VER RM RAE MH MX MXJ MXF TKA CGC WCQ15 UWC. The first Rally Master titled Curly-Coated Retriever, Owned and Love by Aubrey LaCrosse.

This trophy will be donated by Aubrey LaCrosse and owned by the CCRCA.

**II. Requirements**

The Owner must be a member of good standing of CCRCA and AKC.

Awarded yearly eligibility year is Jan 1 through Dec 31.

Any Curly-Coated Retriever registered with the AKC shall be eligible for the award. A dog is eligible to repeat as winner. In the event of a tie, the highest Rally level will take precedence over the lower levels.

**III. Nomination**

The Rotating Trophy Chair shall announce a call for nominations in the September/October issue of the "Curly Commentator" or any other method that will call attention to the award. Any person may nominate a dog for the award by submitting a list of achievements with verifiable evidence to the Rotating Trophies Chair by January 31. Ordering an AKC report for that particular dog is preferred. The Rotating Trophy Committee shall seek to verify all reported accomplishments and in doing so, may ask the owner, handler (if different) or any others deemed appropriate for evidence verifying the reported accomplishments.

**IV. Points earned:**

Novice	4 points	
Intermediate	6 points	
Advanced	8 points	
Excellent	10 points	
Master	12 points	
High Combined in trial (each)		5 points
High triple Score in trial (each)		10 points
Rally title (each)		
Including any #'s such as RM2, RAE3, RACH4		10 points

**Placements**

First	4 points
Second	3 points
Third	2 points
Fourth	1 point

**Curly-Coated Retriever Club of America**

**The Sarona Jacob of Marvadel & Sarona Sam of Marvadel**

**Memorial Field Trophy Award**

Revised January 2015

**I. Nature of the Award:**

- 1. The CCRCA Field trophy shall be awarded to the Curly Coated Retriever judged to have been the most outstanding in fieldwork during the preceding calendar year.
- 2. The Trophy will be awarded at the annual Specialty of the CCRCA.

**II. Eligibility:**

- 1. Any Curly Coated Retriever registered with the AKC, CKC, UKC, or other generally recognized national registry in the United States shall be eligible for this trophy whether the owner is a member of the CCRCA or not.
- 2. The trophy shall be awarded for field accomplishments in the United States and/or by an animal owned in the United States for accomplishment outside the United States (such as in CKC competition).
- 3. An animal is eligible to repeat as winner, but only accomplishments during the calendar year in question shall be considered in determining each year's winner.

**III. Nominations:**

- 1. Any person may nominate any eligible animal, including his or her own, for consideration for this award.
- 2. In an attempt to insure completeness of coverage, the chair and members of the Field Committee will nominate all animals they know to be eligible who have field accomplishments of note during the year.
- 3. Nominations for the award shall be made in writing to the chair of the Field Committee and shall be accompanied by a list of the accomplishments responsible for the animal being nominated.
- 4. Nominations shall be in the hands of the Field Committee by January 15.

**IV. Responsibilities of the Field Committee Chair:**

- 1. The Field Committee chair shall see that a timely call for nominations is published in the "Curly Commentator".
- 2. The chair shall poll the committee membership for nominations.
- 3. The chair shall seek to verify all reported accomplishments, and in doing so, may ask the nominators, owner, or any others deemed appropriate for evidence verifying the reported accomplishments.
- 4. The chair shall forward all information acquired to the secretary of the CCRCA and to the person in charge of the Club's awards by March 1 so that presentation of the award may be made at that year's Specialty. If the Specialty shall be scheduled before March 15, earlier notification shall be given.

**V. Points:**

- 1. The animal earning the highest number of points during the calendar year shall be judged the winner. Points shall be awarded according to the following schedule:

WC .....	5 Points
WCX .....	10 Points
WCQ .....	15 Points
UWC .....	7.5 Points
JH (or Beginning NAHRA or HRC tests), each pass .....	5 Points
NAHRA HR, each pass .....	7.5 Points
SH (or Intermediate NAHRA or HRC tests), each pass .....	10 Points
MH (or Advanced NAHRA or HRC tests), each pass .....	15 Points
JH, SH, or MH (or equivalent NAHRA or HRC) title .....	10 Points
JHU, each pass .....	2.5 Points
SHU, each pass .....	5 Points
MHU, each pass .....	7.5 Points
HRC UH, each pass .....	5 Points
JHU, SHU, MHU, UH Title .....	10 points
Master National, NAHRA "RAW" or HRC Grand Hunt pass .....	25 Points
Grand Master Hunter (GRMH), Grand Hunting Retriever Champion (GRHRCH) title .....	30 Points
Master National Hunter (MNH).....	30 Points

AKC or CKC licensed trial Derby placement or JAM .....	15 Points
AKC or CKC licensed trial Qualifying placement or JAM .....	20 Points
AKC or CKC licensed trial Open placement or JAM.....	30 Points
AKC or CKC field title (FC, AFC, FTCH, AFTCH) .....	50 Points
National Field Champion (NFC), National Amateur Field Champion (NAFC) title .....	60 Points

2. Points are cumulative, that is an animal may earn points for each pass toward a JH and on top of that the points for completing the title itself.

3. Points awarded for WC, WCX, or WCQ must be earned by having qualified at a standalone WC test offered by the CCRCA or any other retriever breed club.

4. If any Field Committee member becomes aware of organized field events not covered in the above list they may propose adding the event to the list and awarding points for the level of accomplishment demonstrated. To add the event to the list 2/3rds of the Field Committee must concur. Notice of addition to the list shall be published in the Commentator. Points may only be awarded for events held after the notice is published in the commentator and held the following year.

5. In case of a tie in points awarded, co-winners will be declared, with each owner to hold the trophy for a six-month period unless the owners decide on some other mutually acceptable division.

**VI. Ownership:**

1. The Trophy is owned by the CCRCA.
2. The Trophy must be returned to the CCRCA Trophy Chairman in good condition 4 weeks prior to the CCRCA Specialty.
3. A non-CCRCA member may not take possession and the Trophy will remain with the CCRCA Trophy Chairman for the year.

**Nature of the Award**

1. As evidenced by his many titles, *GMHR, Am/Can/FCI/Mex Ch, OTCh Charwin Diver Down, UDX3, Can UD, ASCA/Mex/UKC CDX, RE, OA, NAJ, NAP, NJP, WCQ, SH, HR, ROMX, HOF, CGC, CGN* was a dog of extraordinary and varied accomplishments. This Versatility Trophy is offered in honor of Diver's accomplishments.
2. The CCRCA Versatility trophy is awarded to the Curly-Coated Retriever who demonstrates versatility through a career of achievement in various disciplines as detailed below.
3. When the trophy is earned, it will be acknowledged at the National Specialty in the year it is awarded and in the appropriate issue of The Commentator.
4. This award consists of a commemorative trophy with a permanent plaque to each winner.

**Eligibility**

1. Any Curly-Coated Retriever registered with the American Kennel Club shall be eligible for this trophy, provided the dog's owner is a member in good standing with the AKC and the CCRCA.

**Nominations**

1. Any person may nominate any eligible animal, including his or her own, for consideration for this award.
2. Nominations for the award shall be made in writing to the Rotating Trophies chair and shall be accompanied by a list of the accomplishments responsible for the animal being nominated.
3. Nominations can be submitted at any time once the requirements have been completed.

**Points**

1. This trophy will be awarded when an individual Curly-Coated Retriever has accumulated 500 points in the prescribed combination.  
Points shall be awarded according to the following schedule.  
Except where noted, competition must take place in the United States or Canada.

**5-10 Point Level**

Major wins and BOB (must be a major in class competition or 4 or more specials to qualify)

Novice obedience, novice agility, and rally novice legs

JH (or Beginning NAHRA or HRC tests)

WC

Title for any of the above

**10-15 Point Level**

Group 2, 3, or 4 placement

5 points each

5 points each

5 points each pass

5 points

10 points

10 points each

Open obedience, open agility and rally advanced and excellent legs	10 points each
SH (or Intermediate NAHRA or HRC tests)	10 points each pass
WCX	10 points
Title for any of the above	15 points
<b>15-20 Point Level</b>	
Group 1	20 points
Utility obedience, excellent agility and rally advanced/excellent legs	15 points each
MH (or Advanced NAHRA or HRC tests)	15 points each pass
WCQ	15 points
Title for any of the above	20 points

### 50 Point Level

Best in Show	50 points
Obedience High in Trial	50 points each

### 25-60 Point Level

Master National, NAHRA "RAW" or HRC Grand Hunt pass	25 points
Grand Master Hunter, (GRMH),	
Grand Hunting Retriever Champion (GRHRCH) title	30 points
AKC or CKC licensed trial Derby placement or JAM	15 points
AKC or CKC licensed trial Qualifying placement or JAM	20 points
AKC or CKC licensed trial Open placement or JAM	30 points
AKC or CKC field title (FC, AFC, FTCH, AFTCH)	50 points
National Field Champion (NFC),	
National Amateur Field Champion (NAFC)	60 points
Foreign Championships and Obedience Titles	
Bench championships earned outside of U.S. and Canada	10 points
Obedience titles earned outside of U.S. and Canada	10 points

- There is no specific timeframe for completion of the requirements. The trophy will be awarded when 500 points have been earned. All names will appear on the permanent trophy. Each dog will be honored with an individual trophy. This is not a rotating trophy and will not be passed from winner to winner as it may be years between it being awarded. It will be displayed each year at the National Specialty.
- Only 20% of points (100 points) can come from conformation.
- Only 40% of points (200 points) can come from field events.
- Only 40% of points (200 points) can come from performance events (obedience, agility, rally).
- Points are cumulative; that is, an animal may earn points for each pass toward a JH and on top of that the points for completing the title itself.
- Points awarded for WC, WCX, or WCQ must be earned by having qualified at a stand alone WC test offered by the CCRCA or any other retriever breed club.

### Responsibilities of the Rotating Trophies Committee

- The Rotating Trophies committee shall review nominations, seek to verify all reported accomplishments, and determine winner by using the rules in this motion.
- The Rotating Trophies committee chair shall forward all information acquired to the person in charge of the club's awards by March 1.
- The Rotating Trophies committee shall arrange for getting the trophy engraved and a plaque shipped to the winner(s).

### Ownership

- The trophy is owned by the CCRCA.

**BREEDER OF THE YEAR**

A perpetual trophy awarded to the breeder with the highest score for the year. Products of this person’s breeding have, at a minimum finished at least one championship and one obedience title OR one field title. Each title earned by a dog from every CCR breeder earns points per the ROM scale.

In addition, one or more of the following conditions apply:

1. Have had at least one major breed win (Best of Breed at a “specialty,” a group placement, etc.) Each dog making such wins adds 15 points to the total.
2. Have had at least one major obedience win (HIT, OTCH). Each dog making such win adds 10 points to total.
3. Have had at least one major field win (trial placement, field CH). Each dog making such win adds 20 points to the total.

Schedule of points follows the ROM scale, plus:

1. High in Trial or OTCH – 15 points (each dog, first occurrence only for calendar year)
2. National Specialty BOB or Group Placement: 15 points (each dog, first occurrence only for calendar year)
3. Field CH or field trial placement – 20 points (each dog, first occurrence only for calendar year)

If a litter is co-bred, only half the points can be credited to each breeder.

This trophy is a silver tray.

Offered by: Bill Young 1993
